RECOMMENDATION:

That the Board approve the substitution of subcontractor as requested in the summary below.

SUMMARY:

The Department is in receipt of a request from Tobo Construction, Inc., general contractor for the Blythe Street Recreation Center - New Recreation Center (W.O. #E170934F) - Contract No. 3214, to substitute the bid-listed contractor, A-Con Construction, with Inter-City Plastering Services to perform the concrete and masonry portion of this project. The request was made inasmuch as A-Con Construction failed or refused to perform its subcontract.

The Department of Public Works Bureau of Contract Administration has reviewed the request and recommends its approval. Pursuant to Section 10.14 of the Los Angeles Administrative Code, the Department provided written notification of the substitution request to A-Con Construction and received no objection.

FISCAL IMPACT STATEMENT:

Approval of the substitution will not alter the contract amount and therefore has no impact on the Department's General Fund.
