RECOMMENDATIONS

1. Find, in accordance with Charter Section 1022, that the Department of Recreation and Parks (RAP) does not have, available in its employ, personnel with sufficient time or necessary expertise to undertake fence and wall installation, maintenance and/or repairs in a timely manner, and it is more feasible, economical and in RAP's best interest, to secure these services by contract with several contractors to perform this work as-needed and on an occasional, but frequent basis, without engaging in a new competitive bidding process for each individual project to be performed;
2. Find, in accordance with Charter Section 371(e)(2) and Los Angeles Administrative Code Section 10.15(a)(2), that competitive bidding is not practicable or advantageous as it is necessary for RAP to be able to call on contractors to perform this expert, technical work as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as-needed contractors, each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor;
3. Find, in accordance with Charter Section 371(e)(10), that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by RAP to provide as-needed fence and wall installation, maintenance and/or repair services;
4. Find, in accordance with Charter Section 372, that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this agreement is not reasonably practicable or compatible with RAP's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price, and

BOARD REPORT

expertise, and that it is therefore necessary to have several as-needed contractors for this type of service available when called upon by RAP to perform services; and

5. Approve the proposed Services Contracts (Contracts), substantially in the form on file in the Board Office, between the City of Los Angeles RAP and the following firms for 1) Chain-Link and/or Omega Fencing; 2) Ornamental Fencing; 3) Sports Netting/Fencing; and 4) Masonry Walls, specifying the terms and conditions for a three (3) year contract, subject to approval of the Mayor and the City Attorney as to form;

BOARD REPORT

PG. 3 NO. 17-024

SUMMARY

RAP requires as-needed fence and wall installation, maintenance and/or repair services contracts. Currently, RAP does not have contracts in place to install, maintain and/or repair: Chain-Link and/or Omega Fencing, Ornamental Fencing, Sports Netting/Fencing, Masonry Walls if its buildings and other facilities require services to install, perform maintenance and/or repairs these commodities. These contracts will provide RAP with additional resources to ensure that installation, maintenance and/or repairs for Chain-Link and/or Omega Fencing, Ornamental Fencing, Sports Netting/Fencing, and Masonry Walls, as required to protect park patrons and employees, as well as properties and facilities, protect park-adjacent areas from park related usage and activities, and/or to cordon off areas under construction and/or refurbishment, and other related usages on an as-needed basis.

On August 10, 2016, the Board approved an issuance of Request for Qualifications (RFQ) for Fence and Wall Installation, Maintenance and/or Repairs (Report No. 15-210), which was released September 1, 2016. The RFQ allowed responders to submit proposals in one, several or all of the following four service categories: 1) Chain-Link and/or Omega Fencing, 2) Ornamental Fencing, 3) Sports Netting/Fencing, and 4) Masonry Walls.

On November 3, 2016, RAP received nine (9) proposals in response to the RFQ for fence and wall installation, maintenance and/or repair services as follows:

- 1) California Landscape Design, Inc.
- 2) Chris Kelley, Inc. dba Childs Play
- 3) Coast Iron Works
- 4) Crown Fence Co.
- 5) DeFence Company
- 6) Izurieta Fence Company, Inc.
- 7) Judge Netting, Inc.
- 8) United Rigger & Erectors, Inc.
- 9) West Coast Netting, Inc.

Responders were required to provide evidence of their qualifications, as indicated by their responses to the criteria/requests for information, listed immediately below, which are based on the four categories of this RFQ, that they were submitting in, and to meet or exceed the criteria listed:

- 1) Provide a list of references of jobs performed and/or a statement of the firm's general background information related to fence and wall installation, maintenance and/or repair, including completed qualifying projects in the last ten (10) years for Sports Netting/Fencing and including completed qualifying projects in the last five (5) years of performing for Chain-Link and/or Omega Fencing, Ornamental Fencing, and Masonry Walls.
- 2) All qualifications submitted are required to have an established office(s) within the Southern California area (Los Angeles, Orange, Riverside, San Bernardino, San Diego, or Ventura counties). Responder will provide the address of the office location(s) and the name and phone number of the office manager(s);

BOARD REPORT

PG. 4 NO. 17-024

- 3) Respondents must have current license and be in good standing with The California State License Board as follows:
 - a) Chain-Link and /or Omega Fencing a valid C-13 License.
 - b) Ornamental Fencing a valid C-23 License.
 - c) Sports Netting/Fencing a valid A. B. or C-13 License.
 - d) Masonry Walls a valid B License.
- 4) Must meet all current bonding requirements with the City of Los Angeles.

Results of the RFQ Process

Responses were evaluated solely to determine if each responder met the minimum qualifications as stated in the RFQ Document. The minimum qualifications as set forth determined the responder's knowledge and experience to perform according to the terms and specifications of the resulting contract.

Nine (9) firms have submitted responses to the RFQ. The breakdown for the four categories is as follows:

The following responders met the minimum qualifications for Chain-Link and/or Omega Fencing:

1. Chris Kelley, Inc. dba Childs Play
2. Crown Fence Co.
3. DeFence Company
4. Izurieta Fence Company, Inc.

The following responders met the minimum qualifications for Ornamental Fencing:

1. California Landscape Design, Inc.
2. Chris Kelley, Inc. dba Childs Play
3. Coast Iron Works
4. United Rigger & Erectors, Inc.

The following responder met the minimum qualifications for Sports Netting/Fencing:

1. Judge Netting, Inc.
2. West Coast Netting, Inc.

The following responder met the minimum qualifications for Masonry Walls:

1. Chris Kelley, Inc. dba Childs Play
2. United Rigger & Erectors, Inc.

(Please refer to Exhibit A.)

BOARD REPORT

PG. 5 NO. 17-024

It was found through review and verification by RAP staff that the above listed responders met and/or exceeded the minimum qualifications as set forth in the RFQ. Of the nine (9) responders, seven (7) have submitted complete packages. The following two (2) firms have informalities which can be waived:

- 1) Chris Kelley, DBA Child's Play has not checked all boxes on the Child Care Declaration Statement (pg. 118). This form can be sent to Chris Kelley, DBA Child's Play for completion of this form to be returned to the Board Office within 14*days of written notice.
*calendar
- 2) Izurieta Fence Company responder did not answer Question 11 (CRO page 66), Question 18c (page 67), and Question 24 (page 68, no information regarding apprenticeship). On the Board's copy it is noted Question 11 and Question 18c were answered, and Question 24 was not. It is important to note that the instruction said to provide Apprenticeship information but does not indicate what to do if the company doesn't have an apprenticeship program.

By waiving the informalities for these two companies this would increase competition among contractors and would benefit RAP with competitive bids for the much needed critical services in maintaining and expanding our facilities in Chain-Link/Omega Fencing, Ornamental Fencing, Sports Netting/Fencing, and Masonry Walls. It is proposed that these responders have ten (10) business days to rectify these informalities once they have been informed by mail. The forms may be mail or hand-delivered but they must be received before 3:00 PM on the tenth day. 14 calendar

Once it was determined that the responders had met all of the minimum qualifications, RAP staff verified with the responders' provided references. Questions were posed regarding both the responder's ability to produce a quality product that met all necessary standards in a timely manner, and if the responder was timely and effective in their correspondence with governing agencies. All of the references for the responders who met our minimum qualifications responded favorably to these questions and were highly recommended. It is recommended that each of the above listed Responders should be selected in the submitted classifications of installation, repair and/or maintenance for Chain-Link and/or Omega Fencing, Ornamental Fencing, Sports Netting/Fencing, and Masonry Walls, and therefore, be eligible to bid on future RAP projects.

All responders are to complete the minimum requirements in the Business Inclusion Program (BIP). BIP requires the responders to reach out to the subcontractors and to give the subcontractors opportunities to participate in the performance of the City contracts.

We are seeking Board authorization for the Board President and Secretary to execute contracts for each of the nine (9) responders, subject to approval by the City Attorney and Mayor's Office. The selected pre-qualified Responders are being recommended to the Board for a three (3) year contract, in an amount not to exceed an annual expenditure of Four Million Dollars (\$4,000,000.00) per contract, per year. The contract amount is an estimate, and RAP does not guarantee that the contract maximum amount will be reached. The construction services that RAP is requesting shall be on an as-needed basis; RAP in entering into an agreement, guarantees no minimum amount of business or compensation. Contracts awarded through this RFQ shall be subject to funding availability and early termination by RAP, as provided in the Standard Provisions for City Contracts.

BOARD REPORT

PG. 6 NO. 17-024

Funding for projects will be provided from various funding sources including, but not limited to Proposition A, Quimby, Community Development Block Grant (CDBG), and Proposition 84.

FISCAL IMPACT STATEMENT

Executing these as-needed contracts have no impact on the RAP's General Fund as funding will be identified on a per project basis.

This Report was prepared by Robert Feld, Sr. Management Analyst I, reviewed by Noel Williams, Chief Financial Officer, and Finance Division.

In the event that performance on the part of any party hereto is delayed or suspended as a result of circumstances beyond the reasonable control and without the fault and negligence of said party, none of the parties shall incur any liability to the other parties as a result of such delay or suspension. Circumstances deemed to be beyond the control of the parties hereunder include, but are not limited to, acts of God or of the public enemy; insurrection; acts of the Federal Government or any unit of State or Local Government in either sovereign or contractual capacity; fires; floods; earthquakes; epidemics; quarantine restrictions; strikes; freight embargoes or delays in transportation, to the extent that they are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.

PSC-8. BREACH

Except for excusable delays as described in PSC-7, if any party fails to perform, in whole or in part, any promise, covenant, or agreement set forth herein, or should any representation made by it be untrue, any aggrieved party may avail itself of all rights

and remedies, at law or equity, in the courts of law. Said rights and remedies are cumulative of those provided for herein except that in no event shall any party recover more than once, suffer a penalty or forfeiture, or be unjustly compensated.

PSC-9. WAIVER

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-10. TERMINATION

A. TERMINATION FOR CONVENIENCE

The **CITY** may terminate this Contract for the **CITY'S** convenience at any time by giving **CONTRACTOR** thirty days written notice thereof. Upon receipt of said notice, **CONTRACTOR** shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities. The **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to affect such termination. Thereafter, **CONTRACTOR** shall have no further claims against the **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon the date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.

B. TERMINATION FOR BREACH OF CONTRACT

1. Except for excusable delays as provided in PSC-7, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, the **CITY** may give **CONTRACTOR** written notice of such default. If **CONTRACTOR** does not cure such default or provide a plan to cure such default which is acceptable to the **CITY** within the time permitted by the **CITY**, then the **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then the **CITY** may immediately terminate this Contract.
3. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates the

In the event the **CITY** terminates this Contract as provided in this section, the **CITY** may procure, upon such terms and in such manner as the **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to the **CITY** for all of its costs and damages, including, but not limited, any excess costs for such services.
5. All finished or unfinished documents and materials produced or procured under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.
6. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-10(A) Termination for Convenience.
7. The rights and remedies of the **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

The **CITY** does not have any obligation to pay **CONTRACTOR'S** subcontractors, and nothing herein creates any privity between the **CITY** and the subcontractors.

PSC-15. CLAIMS FOR LABOR AND MATERIALS

CONTRACTOR shall promptly pay when due all amounts payable for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), against **CONTRACTOR'S** rights to payments hereunder, or against the **CITY**, and shall pay all amounts due under the Unemployment Insurance Act with respect to such labor.

For all Work Products delivered to the **CITY** that are not originated or prepared by **CONTRACTOR** or its subcontractors of any tier under this Contract, **CONTRACTOR** hereby grants a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

CONTRACTOR shall not provide or disclose any Work Product to any third party without prior written consent of the **CITY**.

Any subcontract entered into by **CONTRACTOR** relating to this Contract, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract to contractually bind or otherwise oblige its subcontractors performing work under this Contract such that the **CITY'S** ownership and license rights of all Work Products are preserved and protected as intended herein. In addition thereto, such failure to comply may be the basis for a determination by the awarding authority or the Board of Public Works that the **CONTRACTOR** is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Charter of the City of Los Angeles. In the event of such a determination, **CONTRACTOR** shall be disqualified from being awarded a contract with the **CITY** for a period of two years, or until **CONTRACTOR** shall establish and carry out a program in conformance with the provisions hereof.

- E. The failure of any **CONTRACTOR** to comply with the Affirmative Action Program provisions of **CITY** contracts may be deemed to be a material breach of contract. Pursuant to Section 10.10(b) of the Los Angeles Administrative Code, the failure of **CONTRACTOR** to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders or Notices of Assignment, or the failure of any Principal Owner(s) of **CONTRACTOR** to comply with any Wage and Earnings Assignment Orders or Notices of Assignment applicable to them personally, shall constitute a default by the **CONTRACTOR** under this Contract, subjecting this Contract to termination if such default shall continue for more than ninety (90) days after notice of such default to **CONTRACTOR** by the **CITY**.

Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract. Failure of **CONTRACTOR** to obtain compliance of its subcontractors shall constitute a default by **CONTRACTOR** under this Contract, subjecting this Contract to termination where such default shall continue for more than ninety (90) days after notice of such default to **CONTRACTOR** by the **CITY**.

CONTRACTOR certifies that, to the best of its knowledge, it is fully complying with the Earnings Assignment Orders of all employees, and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in Section 7110(b) of the California Public Contract Code.

INSURANCE CONTRACTUAL REQUIREMENTS

CONTACT For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at www.lacity.org/cao/risk. The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-4, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

CONTRACT NO. _____

BETWEEN

THE CITY OF LOS ANGELES

DEPARTMENT OF RECREATION AND PARKS

AND

CHRIS KELLEY, INC. dba CHILD'S PLAY

FOR FENCE AND WALL INSTALLATION, MAINTENANCE AND/OR REPAIRS

This CONTRACT is made and entered into this ___ day of _____, 20__, by and between the City of Los Angeles, a municipal corporation, acting by and through its Board of Recreation and Park Commissioners (hereinafter referred to as CITY), and CHRIS KELLEY, INC. dba CHILD'S PLAY, hereinafter referred to as CONTRACTOR.

RECITALS

WHEREAS, the Department of Recreation and Parks (DEPARTMENT) owns various facilities and infrastructure throughout the City of Los Angeles and is responsible for the maintenance and improvements for such facilities and infrastructure; and

WHEREAS, DEPARTMENT requires the services of an experienced and responsible CONTRACTOR to perform 1) Chain-Link and/or Omega Fence, 2) Ornamental Fencing, and 3) Masonry Walls for the DEPARTMENT; and

WHEREAS, a Request for Qualifications (RFQ) for Fence and Wall Installation, Maintenance and/or Repairs was released on September 1, 2016, and nine (9) responses to the RFQ were received on November 3, 2016; and

WHEREAS, the CONTRACTOR'S response met the minimum requirement for the 1) Chain-Link and/or Omega Fence, 2) Ornamental Fencing, and 3) Masonry Walls for the DEPARTMENT; and component as specified in the RFQ; and

WHEREAS, CONTRACTOR has the necessary equipment and staff who possess sufficient knowledge, expertise, and experience required to provide the necessary services and has indicated its willingness to perform such services; and

WHEREAS, CITY, pursuant to Charter Section 371(e)(2) and Los Angeles Administrative Code Section 10.15(a)(2), finds that competitive bidding is not practicable or advantageous as it is necessary for the DEPARTMENT to be able to call on contractors to perform this expert, technical work as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as needed contractors each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor; and,

WHEREAS, CITY, pursuant to Charter Section 372 and Los Angeles Administrative Code Section 10.15(a)(2), finds that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this agreement is not reasonably practicable or compatible with the DEPARTMENT's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price and expertise and that it is therefore necessary to have several as-needed contractors for this type of service available when called upon by the DEPARTMENT to perform services; and,

WHEREAS, CITY, pursuant to Charter Section 371(e)(10), finds that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by the Department to provide as-needed fence and wall installation, maintenance and/or repairs services;

WHEREAS, CITY, pursuant to Charter Section 1022, finds that Department does not have, available in its employ, personnel with sufficient time or necessary expertise to undertake (*this task*) in a timely manner, and it is more feasible, economical and in RAP's best interest, to secure these services by contract with several contractors to perform this work as-needed and on an occasional, but frequent basis, without engaging in a new competitive bidding process for each individual project to be performed; and

NOW, THEREFORE, CITY AND CONTRACTOR, in consideration of the recitals above and of the terms, covenants, and conditions contained herein, agree as follows:

INSURANCE CONTRACTUAL REQUIREMENTS

CONTACT For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at www.lacity.org/cao/risk. The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-4, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

CONTRACT NO. _____

BETWEEN

THE CITY OF LOS ANGELES

DEPARTMENT OF RECREATION AND PARKS

AND

COAST IRON WORKS

FOR FENCE AND WALL INSTALLATION, MAINTENANCE AND/OR REPAIRS

This CONTRACT is made and entered into this ____ day of _____, 20__, by and between the City of Los Angeles, a municipal corporation, acting by and through its Board of Recreation and Park Commissioners (hereinafter referred to as CITY), and COAST IRON WORKS, hereinafter referred to as CONTRACTOR.

RECITALS

WHEREAS, the Department of Recreation and Parks (DEPARTMENT) owns various facilities and infrastructure throughout the City of Los Angeles and is responsible for the maintenance and improvements for such facilities and infrastructure; and

WHEREAS, DEPARTMENT requires the services of an experienced and responsible CONTRACTOR to perform Ornamental Fencing for the DEPARTMENT; and

WHEREAS, a Request for Qualifications (RFQ) for Fence and Wall Installation, Maintenance and/or Repairs was released on September 1, 2016, and nine (9) responses to the RFQ were received on November 3, 2016; and

WHEREAS, the CONTRACTOR'S response met the minimum requirement for the Ornamental Fencing component as specified in the RFQ; and

WHEREAS, CONTRACTOR has the necessary equipment and staff who possess sufficient knowledge, expertise, and experience required to provide the necessary services and has indicated its willingness to perform such services; and

WHEREAS, CITY, pursuant to Charter Section 371(e)(2) and Los Angeles Administrative Code Section 10.15(a)(2), finds that competitive bidding is not practicable or advantageous as it is necessary for the DEPARTMENT to be able to call on contractors to perform this expert, technical work as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as needed contractors each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor; and,

WHEREAS, CITY, pursuant to Charter Section 372, finds that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this agreement is not reasonably practicable or compatible with the DEPARTMENT's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price and expertise and that it is therefore necessary to have several as-needed contractors for this type of service available when called upon by the DEPARTMENT to perform services; and,

WHEREAS, CITY pursuant to Charter Section 371(e)(10), finds that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by the Department to provide as-needed fence and wall installation, maintenance and/or repairs services;

WHEREAS, CITY, pursuant to Charter Section 1022, finds that Department does not have, available in its employ, personnel with sufficient time or necessary expertise to undertake (*this task*) in a timely manner, and it is more feasible, economical and in RAP's best interest, to secure these services by contract with several contractors to perform this work as-needed and on an occasional, but frequent basis, without engaging in a new competitive bidding process for each individual project to be performed; and

NOW, THEREFORE, RAP AND CONTRACTOR, in consideration of the recitals above and of the terms, covenants, and conditions contained herein, agree as follows:

The word "**CONTRACTOR**" herein in this Contract includes the party or parties identified in the Contract. The singular shall include the plural; if there is more than one **CONTRACTOR** herein, unless expressly stated otherwise, their obligations and liabilities hereunder shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. NUMBER OF ORIGINALS

The number of original texts of this Contract shall be equal to the number of the parties hereto, one text being retained by each party. At the **CITY'S** option, one or more additional original texts of this Contract may also be retained by the City.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any law of a federal, state or local government having jurisdiction over this Contract, the validity of the remaining parts, terms or provisions of the Contract shall not be affected thereby.

PSC-6. AMENDMENT

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-4.

PSC-7. EXCUSABLE DELAYS

In the event that performance on the part of any party hereto is delayed or suspended as a result of circumstances beyond the reasonable control and without the fault and negligence of said party, none of the parties shall incur any liability to the other parties as a result of such delay or suspension. Circumstances deemed to be beyond the control of the parties hereunder include, but are not limited to, acts of God or of the public enemy; insurrection; acts of the Federal Government or any unit of State or Local Government in either sovereign or contractual capacity; fires; floods; earthquakes; epidemics; quarantine restrictions; strikes; freight embargoes or delays in transportation, to the extent that they are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.

PSC-8. BREACH

Except for excusable delays as described in PSC-7, if any party fails to perform, in whole or in part, any promise, covenant, or agreement set forth herein, or should any representation made by it be untrue, any aggrieved party may avail itself of all rights

and remedies, at law or equity, in the courts of law. Said rights and remedies are cumulative of those provided for herein except that in no event shall any party recover more than once, suffer a penalty or forfeiture, or be unjustly compensated.

PSC-9. WAIVER

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-10. TERMINATION

A. TERMINATION FOR CONVENIENCE

The **CITY** may terminate this Contract for the **CITY'S** convenience at any time by giving **CONTRACTOR** thirty days written notice thereof. Upon receipt of said notice, **CONTRACTOR** shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities. The **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to affect such termination. Thereafter, **CONTRACTOR** shall have no further claims against the **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon the date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.

B. TERMINATION FOR BREACH OF CONTRACT

1. Except for excusable delays as provided in PSC-7, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, the **CITY** may give **CONTRACTOR** written notice of such default. If **CONTRACTOR** does not cure such default or provide a plan to cure such default which is acceptable to the **CITY** within the time permitted by the **CITY**, then the **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then the **CITY** may immediately terminate this Contract.
3. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates the

5. All finished or unfinished documents and materials produced or procured under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.
6. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-10(A) Termination for Convenience.
7. The rights and remedies of the **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

PSC-11. INDEPENDENT CONTRACTOR

CONTRACTOR is acting hereunder as an independent contractor and not as an agent or employee of the **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of the **CITY**.

PSC-12. CONTRACTOR'S PERSONNEL

Unless otherwise provided or approved by the **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. The **CITY** shall have the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** agrees to remove personnel from performing work under this Contract if requested to do so by the **CITY**.

CONTRACTOR shall not use subcontractors to assist in performance of this Contract without the prior written approval of the **CITY**. If the **CITY** permits the use of subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of

this Contract. The **CITY** has the right to approve **CONTRACTOR'S** subcontractors, and the **CITY** reserves the right to request replacement of subcontractors. The **CITY** does not have any obligation to pay **CONTRACTOR'S** subcontractors, and nothing herein creates any privity between the **CITY** and the subcontractors.

EXHIBIT 1

INSURANCE CONTRACTUAL REQUIREMENTS

CONTACT For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at www.lacity.org/cao/risk. The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-4, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

CONTRACT NO. _____

BETWEEN

THE CITY OF LOS ANGELES

DEPARTMENT OF RECREATION AND PARKS

AND

CROWN FENCE CO.

FOR FENCE AND WALL INSTALLATION, MAINTENANCE AND/OR REPAIRS

This CONTRACT is made and entered into this _____ day of _____, 20__, by and between the City of Los Angeles, a municipal corporation, acting by and through its Board of Recreation and Park Commissioners (hereinafter referred to as CITY), and CROWN FENCE CO., hereinafter referred to as CONTRACTOR.

RECITALS

WHEREAS, the Department of Recreation and Parks (DEPARTMENT) owns various facilities and infrastructure throughout the City of Los Angeles and is responsible for the maintenance and improvements for such facilities and infrastructure; and

WHEREAS, DEPARTMENT requires the services of an experienced and responsible CONTRACTOR to perform Chain-Link and/or Omega Fence fencing for the DEPARTMENT; and

WHEREAS, a Request for Qualifications (RFQ) for Fence and Wall Installation, Maintenance and/or Repairs was released on September 1, 2016, and nine (9) responses to the RFQ were received on November 3, 2016; and

WHEREAS, the CONTRACTOR'S response met the minimum requirement for the Chain-Link and/or Omega Fence component as specified in the RFQ; and

WHEREAS, CONTRACTOR has the necessary equipment and staff who possess sufficient knowledge, expertise, and experience required to provide the necessary services and has indicated its willingness to perform such services; and

WHEREAS, CITY, pursuant to Charter Section 371(e)(2), finds that competitive bidding is not practicable or advantageous as it is necessary for the DEPARTMENT to be able to call on contractors to perform this expert, technical work as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as needed contractors each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor; and,

WHEREAS, CITY, pursuant to Charter Section 372, finds that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this agreement is not reasonably practicable or compatible with the DEPARTMENT's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price and expertise and that it is therefore necessary to have several as-needed contractors for this type of service available when called upon by the DEPARTMENT to perform services; and,

WHEREAS, CITY, pursuant to Charter Section 371(e)(10), that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by the Department to provide as-needed fence and wall installation, maintenance and /or repairs services;

WHEREAS, CITY, pursuant to Charter Section 1022, finds that Department does not have, available in its employ, personnel with sufficient time or necessary expertise to undertake (*this task*) in a timely manner, and it is more feasible, economical and in RAP's best interest, to secure these services by contract with several contractors to perform this work as-needed and on an occasional, but frequent basis, without engaging in a new competitive bidding process for each individual project to be performed; and

NOW, THEREFORE, CITY AND CONTRACTOR, in consideration of the recitals above and of the terms, covenants, and conditions contained herein, agree as follows:

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions hereof. The language of this Contract shall be construed according to its fair meaning and not strictly for or against the **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" herein in this Contract includes the party or parties identified in the Contract. The singular shall include the plural; if there is more than one **CONTRACTOR** herein, unless expressly stated otherwise, their obligations and liabilities hereunder shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. NUMBER OF ORIGINALS

The number of original texts of this Contract shall be equal to the number of the parties hereto, one text being retained by each party. At the **CITY'S** option, one or more additional original texts of this Contract may also be retained by the City.

PSC-3. APPLICABLE LAW, INTERPRETATION AND ENFORCEMENT

Each party's performance hereunder shall comply with all applicable laws of the United States of America, the State of California, and the **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing laws which affect employees. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, and/or procedures that apply to the performance of this Contract.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any law of a federal, state or local government having jurisdiction over this Contract, the validity of the remaining parts, terms or provisions of the Contract shall not be affected thereby.

PSC-4. TIME OF EFFECTIVENESS

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and

PSC-5. INTEGRATED CONTRACT

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in paragraph PSC-6 hereof.

PSC-6. AMENDMENT

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-4.

PSC-7. EXCUSABLE DELAYS

In the event that performance on the part of any party hereto is delayed or suspended as a result of circumstances beyond the reasonable control and without the fault and negligence of said party, none of the parties shall incur any liability to the other parties as a result of such delay or suspension. Circumstances deemed to be beyond the control of the parties hereunder include, but are not limited to, acts of God or of the public enemy; insurrection; acts of the Federal Government or any unit of State or Local Government in either sovereign or contractual capacity; fires; floods; earthquakes; epidemics; quarantine restrictions; strikes; freight embargoes or delays in transportation, to the extent that they are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.

PSC-8. BREACH

Except for excusable delays as described in PSC-7, if any party fails to perform, in whole or in part, any promise, covenant, or agreement set forth herein, or should any representation made by it be untrue, any aggrieved party may avail itself of all rights

and remedies, at law or equity, in the courts of law. Said rights and remedies are cumulative of those provided for herein except that in no event shall any party recover more than once, suffer a penalty or forfeiture, or be unjustly compensated.

PSC-9. WAIVER

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-10. TERMINATION

A. TERMINATION FOR CONVENIENCE

The **CITY** may terminate this Contract for the **CITY'S** convenience at any time by giving **CONTRACTOR** thirty days written notice thereof. Upon receipt of said notice, **CONTRACTOR** shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities. The **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to affect such termination. Thereafter, **CONTRACTOR** shall have no further claims against the **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon the date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.

B. TERMINATION FOR BREACH OF CONTRACT

1. Except for excusable delays as provided in PSC-7, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, the **CITY** may give **CONTRACTOR** written notice of such default. If **CONTRACTOR** does not cure such default or provide a plan to cure such default which is acceptable to the **CITY** within the time permitted by the **CITY**, then the **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then the **CITY** may immediately terminate this Contract.
3. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates the

CITY'S lobbying policies, then the **CITY** may immediately terminate this Contract.

4. In the event the **CITY** terminates this Contract as provided in this section, the **CITY** may procure, upon such terms and in such manner as the **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to the **CITY** for all of its costs and damages, including, but not limited, any excess costs for such services.
5. All finished or unfinished documents and materials produced or procured under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.
6. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-10(A) Termination for Convenience.
7. The rights and remedies of the **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

PSC-11. INDEPENDENT CONTRACTOR

CONTRACTOR is acting hereunder as an independent contractor and not as an agent or employee of the **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of the **CITY**.

PSC-12. CONTRACTOR'S PERSONNEL

Unless otherwise provided or approved by the **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. The **CITY** shall have the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** agrees to remove personnel from performing work under this Contract if requested to do so by the **CITY**.

CONTRACTOR shall not use subcontractors to assist in performance of this Contract without the prior written approval of the **CITY**. If the **CITY** permits the use of subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of

this Contract. The **CITY** has the right to approve **CONTRACTOR'S** subcontractors, and the **CITY** reserves the right to request replacement of subcontractors. The **CITY** does not have any obligation to pay **CONTRACTOR'S** subcontractors, and nothing herein creates any privity between the **CITY** and the subcontractors.

CONTRACTOR may not, unless it has first obtained the written permission of the **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-14. PERMITS

CONTRACTOR and its directors, officers, partners, agents, employees, and subcontractors, to the extent allowed hereunder, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance hereunder and shall pay any fees required therefor. **CONTRACTOR** certifies to immediately notify the **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents.

PSC-15. CLAIMS FOR LABOR AND MATERIALS

CONTRACTOR shall promptly pay when due all amounts payable for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), against **CONTRACTOR'S** rights to payments hereunder, or against the **CITY**, and shall pay all amounts due under the Unemployment Insurance Act with respect to such labor.

PSC-16. CURRENT LOS ANGELES CITY BUSINESS TAX REGISTRATION CERTIFICATE REQUIRED

If applicable, **CONTRACTOR** represents that it has obtained and presently holds the Business Tax Registration Certificate(s) required by the **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code. For the term covered by this Contract, **CONTRACTOR** shall maintain, or obtain as necessary, all such Certificates required of it under the Business Tax Ordinance, and shall not allow any such Certificate to be revoked or suspended.

PSC-17. RETENTION OF RECORDS, AUDIT AND REPORTS

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form, in accordance with

requirements prescribed by the **CITY**. These records shall be retained for a period of no less than three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. Said records shall be subject to examination and audit by authorized **CITY** personnel or by the **CITY'S** representative at any time during the term of this Contract or within the three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. **CONTRACTOR** shall provide any reports requested by the **CITY** regarding performance of this Contract. Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract.

PSC-18. FALSE CLAIMS ACT

CONTRACTOR acknowledges that it is aware of liabilities resulting from submitting a false claim for payment by the **CITY** under the False Claims Act (Cal. Gov. Code §§ 12650 *et seq.*), including treble damages, costs of legal actions to recover payments, and civil penalties of up to \$10,000 per false claim.

PSC-19. BONDS

All bonds which may be required hereunder shall conform to **CITY** requirements established by Charter, ordinance or policy, and shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Sections 11.47 through 11.56 of the Los Angeles Administrative Code.

PSC-20. INDEMNIFICATION

Except for the active negligence or willful misconduct of the **CITY**, or any of its Boards, Officers, Agents, Employees, Assigns and Successors in Interest, **CONTRACTOR** undertakes and agrees to defend, indemnify and hold harmless the **CITY** and any of its Boards, Officers, Agents, Employees, Assigns, and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by the **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of the negligent acts, errors, omissions or willful misconduct incident to the performance of this Contract by **CONTRACTOR** or its subcontractors of any tier. Rights and remedies available to the **CITY** under this provision are cumulative of those provided for elsewhere in this Contract and those allowed under the laws of the United States, the State of California, and the **CITY**. The provisions of PSC-20 shall survive expiration or termination of this Contract.

PSC-21. INTELLECTUAL PROPERTY INDEMNIFICATION

CONTRACTOR, at its own expense, undertakes and agrees to defend, indemnify, and hold harmless the **CITY**, and any of its Boards, Officers, Agents, Employees, Assigns,

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-4, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

CONTRACT NO. _____

BETWEEN

THE CITY OF LOS ANGELES

DEPARTMENT OF RECREATION AND PARKS

AND

DEFENCE COMPANY

FOR FENCE AND WALL INSTALLATION, MAINTENANCE AND/OR REPAIRS

This CONTRACT is made and entered into this ____ day of _____, 20__, by and between the City of Los Angeles, a municipal corporation, acting by and through its Board of Recreation and Park Commissioners (hereinafter referred to as CITY), and DEFENCE COMPANY., hereinafter referred to as CONTRACTOR.

RECITALS

WHEREAS, the Department of Recreation and Parks (DEPARTMENT) owns various facilities and infrastructure throughout the City of Los Angeles and is responsible for the maintenance and improvements for such facilities and infrastructure; and

WHEREAS, DEPARTMENT requires the services of an experienced and responsible CONTRACTOR to perform Chain-Link and/or Omega Fence for the DEPARTMENT; and

WHEREAS, a Request for Qualifications (RFQ) for Fence and Wall Installation, Maintenance and/or Repairs was released on September 1, 2016, and nine (9) responses to the RFQ were received on November 3, 2016; and

WHEREAS, the CONTRACTOR'S response met the minimum requirement for the Chain-Link and/or Omega Fence component as specified in the RFQ; and

WHEREAS, CONTRACTOR has the necessary equipment and staff who possess sufficient knowledge, expertise, and experience required to provide the necessary services and has indicated its willingness to perform such services; and

WHEREAS, CITY, pursuant to Charter Section 371(e)(2) and Los Angeles Administrative Code Section 10.15(a)(2), finds that competitive bidding is not practicable or advantageous as it is necessary for the DEPARTMENT to be able to call on contractors to perform this work expert, technical as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as needed contractors each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor; and,

WHEREAS, CITY, pursuant to Charter Section 372, finds that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this agreement is not reasonably practicable or compatible with the DEPARTMENT's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price and expertise and that it is therefore necessary to have several as-needed contractors for this type of service available when called upon by the DEPARTMENT to perform services; and,

WHEREAS, CITY, pursuant to Charter Section 371(e)(10), finds that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by the Department to provide as-needed fence and wall installation, maintenance and/or repairs services;

WHEREAS, CITY, pursuant to Charter Section 1022, finds that Department does not have, available in its employ, personnel with sufficient time or necessary expertise to undertake (*this task*) in a timely manner, and it is more feasible, economical and in RAP's best interest, to secure these services by contract with several contractors to perform this work as-needed and on an occasional, but frequent basis, without engaging in a new competitive bidding process for each individual project to be performed; and

NOW, THEREFORE, CITY AND CONTRACTOR, in consideration of the recitals above and of the terms, covenants, and conditions contained herein, agree as follows:

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions hereof. The language of this Contract shall be construed according to its fair meaning and not strictly for or against the **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" herein in this Contract includes the party or parties identified in the Contract. The singular shall include the plural; if there is more than one **CONTRACTOR** herein, unless expressly stated otherwise, their obligations and liabilities hereunder shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. NUMBER OF ORIGINALS

The number of original texts of this Contract shall be equal to the number of the parties hereto, one text being retained by each party. At the **CITY'S** option, one or more additional original texts of this Contract may also be retained by the City.

PSC-3. APPLICABLE LAW, INTERPRETATION AND ENFORCEMENT

Each party's performance hereunder shall comply with all applicable laws of the United States of America, the State of California, and the **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing laws which affect employees. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, and/or procedures that apply to the performance of this Contract.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any law of a federal, state or local government having jurisdiction over this Contract, the validity of the remaining parts, terms or provisions of the Contract shall not be affected thereby.

PSC-4. TIME OF EFFECTIVENESS

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;

PSC-5. INTEGRATED CONTRACT

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in paragraph PSC-6 hereof.

PSC-6. AMENDMENT

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-4.

PSC-7. EXCUSABLE DELAYS

In the event that performance on the part of any party hereto is delayed or suspended as a result of circumstances beyond the reasonable control and without the fault and negligence of said party, none of the parties shall incur any liability to the other parties as a result of such delay or suspension. Circumstances deemed to be beyond the control of the parties hereunder include, but are not limited to, acts of God or of the public enemy; insurrection; acts of the Federal Government or any unit of State or Local Government in either sovereign or contractual capacity; fires; floods; earthquakes; epidemics; quarantine restrictions; strikes; freight embargoes or delays in transportation, to the extent that they are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.

PSC-8. BREACH

Except for excusable delays as described in PSC-7, if any party fails to perform, in whole or in part, any promise, covenant, or agreement set forth herein, or should any representation made by it be untrue, any aggrieved party may avail itself of all rights

and remedies, at law or equity, in the courts of law. Said rights and remedies are cumulative of those provided for herein except that in no event shall any party recover more than once, suffer a penalty or forfeiture, or be unjustly compensated.

PSC-9. WAIVER

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-10. TERMINATION

A. TERMINATION FOR CONVENIENCE

The **CITY** may terminate this Contract for the **CITY'S** convenience at any time by giving **CONTRACTOR** thirty days written notice thereof. Upon receipt of said notice, **CONTRACTOR** shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities. The **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to affect such termination. Thereafter, **CONTRACTOR** shall have no further claims against the **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon the date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.

B. TERMINATION FOR BREACH OF CONTRACT

1. Except for excusable delays as provided in PSC-7, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, the **CITY** may give **CONTRACTOR** written notice of such default. If **CONTRACTOR** does not cure such default or provide a plan to cure such default which is acceptable to the **CITY** within the time permitted by the **CITY**, then the **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then the **CITY** may immediately terminate this Contract.
3. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates the

CITY'S lobbying policies, then the **CITY** may immediately terminate this Contract.

4. In the event the **CITY** terminates this Contract as provided in this section, the **CITY** may procure, upon such terms and in such manner as the **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to the **CITY** for all of its costs and damages, including, but not limited, any excess costs for such services.
5. All finished or unfinished documents and materials produced or procured under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.
6. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-10(A) Termination for Convenience.
7. The rights and remedies of the **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

PSC-11. INDEPENDENT CONTRACTOR

CONTRACTOR is acting hereunder as an independent contractor and not as an agent or employee of the **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of the **CITY**.

PSC-12. CONTRACTOR'S PERSONNEL

Unless otherwise provided or approved by the **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. The **CITY** shall have the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** agrees to remove personnel from performing work under this Contract if requested to do so by the **CITY**.

CONTRACTOR shall not use subcontractors to assist in performance of this Contract without the prior written approval of the **CITY**. If the **CITY** permits the use of subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of

this Contract. The **CITY** has the right to approve **CONTRACTOR'S** subcontractors, and the **CITY** reserves the right to request replacement of subcontractors. The **CITY** does not have any obligation to pay **CONTRACTOR'S** subcontractors, and nothing herein creates any privity between the **CITY** and the subcontractors.

CONTRACTOR may not, unless it has first obtained the written permission of the **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or

PSC-15. CLAIMS FOR LABOR AND MATERIALS

CONTRACTOR shall promptly pay when due all amounts payable for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), against **CONTRACTOR'S** rights to payments hereunder, or against the **CITY**, and shall pay all amounts due under the Unemployment Insurance Act with respect to such labor.

PSC-16. CURRENT LOS ANGELES CITY BUSINESS TAX REGISTRATION CERTIFICATE REQUIRED

If applicable, **CONTRACTOR** represents that it has obtained and presently holds the Business Tax Registration Certificate(s) required by the **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code. PSC-17. RETENTION OF RECORDS, AUDIT AND REPORTS

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form, in accordance with

requirements prescribed by the **CITY**. These records shall be retained for a period of no less than three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. Said records shall be subject to examination and audit by authorized **CITY** personnel or by the **CITY'S** representative at any time during the term of this Contract or within the three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. **CONTRACTOR** shall provide any reports requested by the **CITY** regarding performance of this Contract. Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract.

PSC-18. FALSE CLAIMS ACT

CONTRACTOR acknowledges that it is aware of liabilities resulting from submitting a false claim for payment by the **CITY** under the False Claims Act (Cal. Gov. Code §§ 12650 *et seq.*), including treble damages, costs of legal actions to recover payments, and civil penalties of up to \$10,000 per false claim.

PSC-19. BONDS

All bonds which may be required hereunder shall conform to **CITY** requirements established by Charter, ordinance or policy, and shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Sections 11.47 through 11.56 of the Los Angeles Administrative Code.

PSC-20. INDEMNIFICATION

Except for the active negligence or willful misconduct of the **CITY**, or any of its Boards, Officers, Agents, Employees, Assigns and Successors in Interest, **CONTRACTOR** undertakes and agrees to defend, indemnify and hold harmless the **CITY** and any of its Boards, Officers, Agents, Employees, Assigns, and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by the **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of the negligent acts, errors, omissions or willful misconduct incident to the performance of this Contract by **CONTRACTOR** or its subcontractors of any tier. Rights and remedies available to the **CITY** under this provision are cumulative of those provided for elsewhere in this Contract and those allowed under the laws of the United States, the State of California, and the **CITY**. The provisions of PSC-20 shall survive expiration or termination of this Contract.

PSC-21. INTELLECTUAL PROPERTY INDEMNIFICATION

CONTRACTOR, at its own expense, undertakes and agrees to defend, indemnify, and hold harmless the **CITY**, and any of its Boards, Officers, Agents, Employees, Assigns,

and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by the **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information right (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its subcontractors of any tier, in performing the work under this Contract; or (2) as a result of the **CITY'S** actual or intended use of any Work Product furnished by **CONTRACTOR**, or its subcontractors of any tier, under the Agreement. Rights and remedies available to the **CITY** under this provision are cumulative of those provided for elsewhere in this Contract and those allowed under the laws of the United States, the State of California, and the **CITY**. The provisions of PSC-21 shall survive expiration or termination of this Contract.

PSC-22. INTELLECTUAL PROPERTY WARRANTY

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patents, copyrights, trademarks, trade secrets, rights of publicity and proprietary information.

PSC-23. OWNERSHIP AND LICENSE

Unless otherwise provided for herein, all Work Products originated and prepared by **CONTRACTOR** or its subcontractors of any tier under this Contract shall be and remain the exclusive property of the **CITY** for its use in any manner it deems appropriate. Work Products are all works, tangible or not, created under this Contract including, without limitation, documents, material, data, reports, manuals, specifications, artwork, drawings, sketches, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas matters and combinations thereof, and all forms of intellectual property. **CONTRACTOR** hereby assigns, and agrees to assign, all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared by **CONTRACTOR** under this Contract. **CONTRACTOR** further agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.

For all Work Products delivered to the **CITY** that are not originated or prepared by **CONTRACTOR** or its subcontractors of any tier under this Contract, **CONTRACTOR** hereby grants a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

CONTRACTOR shall not provide or disclose any Work Product to any third party without prior written consent of the **CITY**.

Any subcontract entered into by **CONTRACTOR** relating to this Contract, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract to contractually bind or otherwise oblige its subcontractors performing work under this Contract such that the **CITY'S** ownership and license rights of all Work Products are preserved and protected as intended herein. Failure of **CONTRACTOR** to comply with this requirement or to obtain the compliance of its subcontractors with such obligations shall subject **CONTRACTOR** to the imposition of any and all sanctions allowed by law, including but not limited to termination of **CONTRACTOR'S** contract with the **CITY**.

PSC-24. INSURANCE

During the term of this Contract and without limiting **CONTRACTOR'S** indemnification of the **CITY**, **CONTRACTOR** shall provide and maintain at its own expense a program of insurance having the coverages and limits customarily carried and actually arranged by **CONTRACTOR**, but not less than the amounts and types listed on the Required Insurance and Minimum Limits sheet (Form General 146 in Exhibit 1 hereto), covering its operations hereunder. Such insurance shall conform to **CITY** requirements established by Charter, ordinance or policy, shall comply with the Insurance Contractual Requirements (Form General 133 in Exhibit 1 hereto) and shall otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. **CONTRACTOR** shall comply with all Insurance Contractual Requirements shown on Exhibit 1 hereto. Exhibit 1 is hereby incorporated by reference and made a part of this Contract.

PSC-25. DISCOUNT TERMS

CONTRACTOR agrees to offer the **CITY** any discount terms that are offered to its best customers for the goods and services to be provided hereunder and apply such discount to payments made under this Contract which meet the discount terms.

PSC-26. WARRANTY AND RESPONSIBILITY OF CONTRACTOR

In addition thereto, such failure to comply may be the basis for a determination by the awarding authority or the Board of Public Works that the **CONTRACTOR** is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Charter of the City of Los Angeles. In the event of such a determination, **CONTRACTOR** shall be disqualified from being awarded a contract with the **CITY** for a period of two years, or until **CONTRACTOR** shall establish and carry out a program in conformance with the provisions hereof.

In the event of such determination, such **CONTRACTOR** shall be disqualified from being awarded a contract with the **CITY** for a period of two years, or until he or she shall establish and carry out a program in conformance with the provisions hereof.
- G. In the event of a finding by the Fair Employment and Housing Commission of the State of California, or the Board of Public Works of the City of Los Angeles, or any court of competent jurisdiction, that **CONTRACTOR** has been guilty of a willful violation of the California Fair Employment and Housing Act, or the Affirmative Action Program provisions of a **CITY** contract, there may be deducted from the amount payable to **CONTRACTOR** by the **CITY** under the contract, a penalty of ten dollars

- L. The Office of Contract Compliance shall annually supply the awarding authorities of the **CITY** with a list of contractors and suppliers who have developed Affirmative Action Programs. For each contractor and supplier the Office of Contract Compliance shall state the date the approval expires. The Office of Contract Compliance shall not withdraw its approval for any Affirmative Action Plan or change the Affirmative Action Plan after the date of contract award for the entire contract term without the mutual agreement of the awarding authority and **CONTRACTOR**.

- M. The Affirmative Action Plan required to be submitted hereunder and the pre-registration, pre-bid, pre-proposal or pre-award conference which may be required by the Board of Public Works, Office of Contract Compliance or the awarding authority shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:

- O. Affirmative Action Agreements resulting from the proposed Affirmative Action Plan or the pre-registration, pre-bid, pre-proposal or pre-award conferences shall not be confidential and may be publicized by the contractor at his or her discretion. Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract. Failure of **CONTRACTOR** to obtain compliance of its subcontractors shall constitute a default by **CONTRACTOR** under this Contract, subjecting this Contract to termination where such default shall continue for more than ninety (90) days after notice of such default to **CONTRACTOR** by the **CITY**.

INSURANCE CONTRACTUAL REQUIREMENTS

CONTACT For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at www.lacity.org/cao/risk. The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-4, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

CONTRACT NO. _____

BETWEEN

THE CITY OF LOS ANGELES

DEPARTMENT OF RECREATION AND PARKS

AND

IZURIETA FENCE COMPANY

FOR FENCE AND WALL INSTALLATION, MAINTENANCE AND/OR REPAIRS

This CONTRACT is made and entered into this ____ day of _____, 20__, by and between the City of Los Angeles, a municipal corporation, acting by and through its Board of Recreation and Park Commissioners (hereinafter referred to as CITY), and IZURIETA FENCE COMPANY, hereinafter referred to as CONTRACTOR.

RECITALS

WHEREAS, the Department of Recreation and Parks (DEPARTMENT) owns various facilities and infrastructure throughout the City of Los Angeles and is responsible for the maintenance and improvements for such facilities and infrastructure; and

WHEREAS, DEPARTMENT requires the services of an experienced and responsible CONTRACTOR to perform Chain-Link and/or Omega Fencing for the DEPARTMENT; and

WHEREAS, a Request for Qualifications (RFQ) for Fence and Wall Installation, Maintenance and/or Repairs was released on September 1, 2016, and nine (9) responses to the RFQ were received on November 3, 2016; and

WHEREAS, the CONTRACTOR'S response met the minimum requirement for the Chain-Link and/or Omega Fencing component as specified in the RFQ; and

WHEREAS, CONTRACTOR has the necessary equipment and staff who possess sufficient knowledge, expertise, and experience required to provide the necessary services and has indicated its willingness to perform such services; and

WHEREAS, CITY, pursuant to Charter Section 371(e)(2) and Los Angeles Administrative Code Section 10.15(a)(2), finds that competitive bidding is not practicable or advantageous as it is necessary for the DEPARTMENT to be able to call on contractors to perform this expert, technical work as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as needed contractors each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor; and,

WHEREAS, CITY, pursuant to Charter Section 372, finds that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this agreement is not reasonably practicable or compatible with the DEPARTMENT's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price and expertise and that it is therefore necessary to have several as-needed contractors for this type of service available when called upon by the DEPARTMENT to perform services; and,

WHEREAS, CITY, pursuant to Charter Section 371(e)(10), finds that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by the Department to provide as-needed fence and wall installation, maintenance and repairs services;

WHEREAS, CITY, pursuant to Charter Section 1022, finds that Department does not have, available in its employ, personnel with sufficient time or necessary expertise to undertake (*this task*) in a timely manner, and it is more feasible, economical and in RAP's best interest, to secure these services by contract with several contractors to perform this work as-needed and on an occasional, but frequent basis, without engaging in a new competitive bidding process for each individual project to be performed; and

NOW, THEREFORE, CITY AND CONTRACTOR, in consideration of the recitals above and of the terms, covenants, and conditions contained herein, agree as follows:

SECTION 1 - PARTIES TO CONTRACT, REPRESENTATIVES AND NOTICE

PSC-1. CONSTRUCTION OF PROVISIONS AND TITLES HEREIN

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions hereof. The language of this Contract shall be construed according to its fair meaning and not strictly for or against the **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" herein in this Contract includes the party or parties identified in the Contract. The singular shall include the plural; if there is more than one **CONTRACTOR** herein, unless expressly stated otherwise, their obligations and liabilities hereunder shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. NUMBER OF ORIGINALS

The number of original texts of this Contract shall be equal to the number of the parties hereto, one text being retained by each party. At the **CITY'S** option, one or more additional original texts of this Contract may also be retained by the City.

PSC-3. APPLICABLE LAW, INTERPRETATION AND ENFORCEMENT

Each party's performance hereunder shall comply with all applicable laws of the United States of America, the State of California, and the **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing laws which affect employees. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, and/or procedures that apply to the performance of this Contract.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any law of a federal, state or local government having jurisdiction over this Contract, the validity of the remaining parts, terms or provisions of the Contract shall not be affected thereby.

PSC-4. TIME OF EFFECTIVENESS

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR** hereto;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of the **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-5. INTEGRATED CONTRACT

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in paragraph PSC-6 hereof.

PSC-6. AMENDMENT

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-4.

PSC-7. EXCUSABLE DELAYS

In the event that performance on the part of any party hereto is delayed or suspended as a result of circumstances beyond the reasonable control and without the fault and negligence of said party, none of the parties shall incur any liability to the other parties as a result of such delay or suspension. Circumstances deemed to be beyond the control of the parties hereunder include, but are not limited to, acts of God or of the public enemy; insurrection; acts of the Federal Government or any unit of State or Local Government in either sovereign or contractual capacity; fires; floods; earthquakes; epidemics; quarantine restrictions; strikes; freight embargoes or delays in transportation, to the extent that they are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.

PSC-8. BREACH

Except for excusable delays as described in PSC-7, if any party fails to perform, in whole or in part, any promise, covenant, or agreement set forth herein, or should any representation made by it be untrue, any aggrieved party may avail itself of all rights

and remedies, at law or equity, in the courts of law. Said rights and remedies are cumulative of those provided for herein except that in no event shall any party recover more than once, suffer a penalty or forfeiture, or be unjustly compensated.

PSC-9. WAIVER

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-10. TERMINATION

A. TERMINATION FOR CONVENIENCE

The **CITY** may terminate this Contract for the **CITY'S** convenience at any time by giving **CONTRACTOR** thirty days written notice thereof. Upon receipt of said notice, **CONTRACTOR** shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities. The **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to affect such termination. Thereafter, **CONTRACTOR** shall have no further claims against the **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon the date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.

B. TERMINATION FOR BREACH OF CONTRACT

1. Except for excusable delays as provided in PSC-7, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, the **CITY** may give **CONTRACTOR** written notice of such default. If **CONTRACTOR** does not cure such default or provide a plan to cure such default which is acceptable to the **CITY** within the time permitted by the **CITY**, then the **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then the **CITY** may immediately terminate this Contract.
3. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates the

CITY'S lobbying policies, then the **CITY** may immediately terminate this Contract.

4. In the event the **CITY** terminates this Contract as provided in this section, the **CITY** may procure, upon such terms and in such manner as the **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to the **CITY** for all of its costs and damages, including, but not limited, any excess costs for such services.
5. All finished or unfinished documents and materials produced or procured under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.
6. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-10(A) Termination for Convenience.
7. The rights and remedies of the **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

PSC-11. INDEPENDENT CONTRACTOR

CONTRACTOR is acting hereunder as an independent contractor and not as an agent or employee of the **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of the **CITY**.

PSC-12. CONTRACTOR'S PERSONNEL

Unless otherwise provided or approved by the **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. The **CITY** shall have the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** agrees to remove personnel from performing work under this Contract if requested to do so by the **CITY**.

CONTRACTOR shall not use subcontractors to assist in performance of this Contract without the prior written approval of the **CITY**. If the **CITY** permits the use of subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of

this Contract. The **CITY** has the right to approve **CONTRACTOR'S** subcontractors, and the **CITY** reserves the right to request replacement of subcontractors. The **CITY** does not have any obligation to pay **CONTRACTOR'S** subcontractors, and nothing herein creates any privity between the **CITY** and the subcontractors.

PSC-13. PROHIBITION AGAINST ASSIGNMENT OR DELEGATION

CONTRACTOR may not, unless it has first obtained the written permission of the **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-14. PERMITS

PSC-15. CLAIMS FOR LABOR AND MATERIALS

CONTRACTOR shall promptly pay when due all amounts payable for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), against **CONTRACTOR'S** rights to payments hereunder, or against the **CITY**, and shall pay all amounts due under the Unemployment Insurance Act with respect to such labor.

PSC-16. CURRENT LOS ANGELES CITY BUSINESS TAX REGISTRATION CERTIFICATE REQUIRED

If applicable, **CONTRACTOR** represents that it has obtained and presently holds the Business Tax Registration Certificate(s) required by the **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code. requirements prescribed by the **CITY**. These records shall be retained for a period of no less than three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. Said records shall be subject to examination and audit by authorized **CITY** personnel or by the **CITY'S** representative at any time during the term of this Contract or within the three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. **CONTRACTOR** shall provide any reports requested by the **CITY** regarding performance of this Contract. Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract.

PSC-18. FALSE CLAIMS ACT

CONTRACTOR acknowledges that it is aware of liabilities resulting from submitting a false claim for payment by the **CITY** under the False Claims Act (Cal. Gov. Code §§ 12650 *et seq.*), including treble damages, costs of legal actions to recover payments, and civil penalties of up to \$10,000 per false claim.

PSC-19. BONDS

All bonds which may be required hereunder shall conform to **CITY** requirements established by Charter, ordinance or policy, and shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Sections 11.47 through 11.56 of the Los Angeles Administrative Code.

PSC-20. INDEMNIFICATION

Except for the active negligence or willful misconduct of the **CITY**, or any of its Boards, Officers, Agents, Employees, Assigns and Successors in Interest, **CONTRACTOR** undertakes and agrees to defend, indemnify and hold harmless the **CITY** and any of its Boards, Officers, Agents, Employees, Assigns, and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by the **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of the negligent acts, errors, omissions or willful misconduct incident to the performance of this Contract by **CONTRACTOR** or its subcontractors of any tier. Rights and remedies available to the **CITY** under this provision are cumulative of those provided for elsewhere in this Contract and those allowed under the laws of the United States, the State of California, and the **CITY**. The provisions of PSC-20 shall survive expiration or termination of this Contract.

PSC-21. INTELLECTUAL PROPERTY INDEMNIFICATION

CONTRACTOR, at its own expense, undertakes and agrees to defend, indemnify, and hold harmless the **CITY**, and any of its Boards, Officers, Agents, Employees, Assigns,

and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by the **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information right (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its subcontractors of any tier, in performing the work under this Contract; or (2) as a result of the **CITY'S** actual or intended use of any Work Product furnished by **CONTRACTOR**, or its subcontractors of any tier, under the Agreement. Rights and remedies available to the **CITY** under this provision are cumulative of those provided for elsewhere in this Contract and those allowed under the laws of the United States, the State of California, and the **CITY**. The provisions of PSC-21 shall survive expiration or termination of this Contract.

PSC-22. INTELLECTUAL PROPERTY WARRANTY

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patents, copyrights, trademarks, trade secrets, rights of publicity and proprietary information.

PSC-23. OWNERSHIP AND LICENSE

Unless otherwise provided for herein, all Work Products originated and prepared by **CONTRACTOR** or its subcontractors of any tier under this Contract shall be and remain the exclusive property of the **CITY** for its use in any manner it deems appropriate. For all Work Products delivered to the **CITY** that are not originated or prepared by **CONTRACTOR** or its subcontractors of any tier under this Contract, **CONTRACTOR** hereby grants a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

CONTRACTOR shall not provide or disclose any Work Product to any third party without prior written consent of the **CITY**.

Any subcontract entered into by **CONTRACTOR** relating to this Contract, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract to contractually bind or otherwise oblige its subcontractors performing work under this Contract such that the **CITY'S** ownership and license rights of all Work Products are preserved and protected as intended herein. Failure of **CONTRACTOR** to comply with this requirement or to obtain the compliance of its subcontractors with such obligations shall subject **CONTRACTOR** to the imposition of any and all sanctions allowed by law, including but not limited to termination of **CONTRACTOR'S** contract with the **CITY**.

PSC-24. INSURANCE

During the term of this Contract and without limiting **CONTRACTOR'S** indemnification of the **CITY**, **CONTRACTOR** shall provide and maintain at its own expense a program of insurance having the coverages and limits customarily carried and actually arranged by **CONTRACTOR**, but not less than the amounts and types listed on the Required Insurance and Minimum Limits sheet (Form General 146 in Exhibit 1 hereto), covering its operations hereunder. Exhibit 1 is hereby incorporated by reference and made a part of this Contract.

PSC-25. DISCOUNT TERMS

CONTRACTOR agrees to offer the **CITY** any discount terms that are offered to its best customers for the goods and services to be provided hereunder and apply such discount to payments made under this Contract which meet the discount terms.

PSC-26. WARRANTY AND RESPONSIBILITY OF CONTRACTOR

CONTRACTOR warrants that the work performed hereunder shall be completed in a manner consistent with professional standards practiced among those firms within **CONTRACTOR'S** profession, doing the same or similar work under the same or similar circumstances.

PSC-27. NON-DISCRIMINATION

Unless otherwise exempt, this Contract is subject to the non-discrimination provisions in Sections 10.8 through 10.8.2 of the Los Angeles Administrative Code, as amended from time to time. The **CONTRACTOR** shall comply with the applicable non-discrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the **CITY**. In performing this Contract, **CONTRACTOR** shall not

discriminate in its employment practices against any employee or applicant for employment because of such person's race, religion, national origin, ancestry, sex, sexual orientation, age, disability, domestic partner status, marital status or medical condition. Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract.

Failure of **CONTRACTOR** to comply with this requirement or to obtain the compliance of its subcontractors with such obligations shall subject **CONTRACTOR** to the imposition of any and all sanctions allowed by law, including but not limited to termination of **CONTRACTOR'S** contract with the **CITY**.

PSC-28. EQUAL EMPLOYMENT PRACTICES

Unless otherwise exempt, this Contract is subject to the equal employment practices provisions in Section 10.8.3 of the Los Angeles Administrative Code, as amended from time to time.

- A. During the performance of this Contract, **CONTRACTOR** agrees and represents that it will provide equal employment practices and **CONTRACTOR** and each subcontractor hereunder will ensure that in his or her employment practices persons are employed and employees are treated equally and without regard to or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
 - 1. This provision applies to work or service performed or materials manufactured or assembled in the United States.
 - 2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.
 - 3. **CONTRACTOR** agrees to post a copy of Paragraph A hereof in conspicuous places at its place of business available to employees and applicants for employment.
- B. **CONTRACTOR** will, in all solicitations or advertisements for employees placed by or on behalf of **CONTRACTOR**, state that all qualified applicants will receive consideration for employment without regard to their race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.

As part of the **CITY'S** supplier registration process, and/or at the request of the awarding authority, or the Board of Public Works, Office of Contract Compliance, **CONTRACTOR** shall certify in the specified format that he or she has not discriminated in the performance of **CITY** contracts against any employee or applicant for employment on the basis or because of

race, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

- D. **CONTRACTOR** shall permit access to and may be required to provide certified copies of all of his or her records pertaining to employment and to employment practices by the awarding authority or the Office of Contract Compliance for the purpose of investigation to ascertain compliance with the Equal Employment Practices provisions of **CITY** contracts. On their or either of their request **CONTRACTOR** shall provide evidence that he or she has or will comply therewith.
- E. The failure of any **CONTRACTOR** to comply with the Equal Employment Practices provisions of this Contract may be deemed to be a material breach of **CITY** contracts. Such failure shall only be established upon a finding to that effect by the awarding authority, on the basis of its own investigation or that of the Board of Public Works, Office of Contract Compliance. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard has been given to **CONTRACTOR**.
- F. Upon a finding duly made that **CONTRACTOR** has failed to comply with the Equal Employment Practices provisions of a **CITY** contract, the contract may be forthwith canceled, terminated or suspended, in whole or in part, by the awarding authority, and all monies due or to become due hereunder may be forwarded to and retained by the **CITY**. In addition thereto, such failure to comply may be the basis for a determination by the awarding authority or the Board of Public Works that the **CONTRACTOR** is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Charter of the City of Los Angeles. In the event of such a determination, **CONTRACTOR** shall be disqualified from being awarded a contract with the **CITY** for a period of two years, or until **CONTRACTOR** shall establish and carry out a program in conformance with the provisions hereof.
- G. Notwithstanding any other provision of this Contract, the **CITY** shall have any and all other remedies at law or in equity for any breach hereof.
- H. Intentionally blank.
- I. Nothing contained in this Contract shall be construed in any manner so as to require or permit any act which is prohibited by law.
- J. At the time a supplier registers to do business with the **CITY**, or when an individual bid or proposal is submitted, **CONTRACTOR** shall agree to adhere to the Equal Employment Practices specified herein during the performance or conduct of **CITY** Contracts.

- K. Equal Employment Practices shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:
 - 1. Hiring practices;
 - 2. Apprenticeships where such approved programs are functioning, and other on-the-job training for non-apprenticeable occupations;
 - 3. Training and promotional opportunities; and
 - 4. Reasonable accommodations for persons with disabilities.

- L. Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract. Failure of **CONTRACTOR** to comply with this requirement or to obtain the compliance of its subcontractors with all such obligations shall subject **CONTRACTOR** to the imposition of any and all sanctions allowed by law, including but not limited to termination of the **CONTRACTOR'S** Contract with the **CITY**.

PSC-29. AFFIRMATIVE ACTION PROGRAM

Unless otherwise exempt, this Contract is subject to the affirmative action program provisions in Section 10.8.4 of the Los Angeles Administrative Code, as amended from time to time.

- A. During the performance of a **CITY** contract, **CONTRACTOR** certifies and represents that **CONTRACTOR** and each subcontractor hereunder will adhere to an affirmative action program to ensure that in its employment practices, persons are employed and employees are treated equally and without regard to or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
 - 1. This provision applies to work or services performed or materials manufactured or assembled in the United States.
 - 2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.
 - 3. **CONTRACTOR** shall post a copy of Paragraph A hereof in conspicuous places at its place of business available to employees and applicants for employment.

- B. **CONTRACTOR** will, in all solicitations or advertisements for employees placed by or on behalf of **CONTRACTOR**, state that all qualified applicants will receive consideration for employment without regard to

their race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.

- C. As part of the **CITY'S** supplier registration process, and/or at the request of the awarding authority or the Office of Contract Compliance, **CONTRACTOR** shall certify on an electronic or hard copy form to be supplied, that **CONTRACTOR** has not discriminated in the performance of **CITY** contracts against any employee or applicant for employment on the basis or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
- D. **CONTRACTOR** shall permit access to and may be required to provide certified copies of all of its records pertaining to employment and to its employment practices by the awarding authority or the Office of Contract Compliance, for the purpose of investigation to ascertain compliance with the Affirmative Action Program provisions of **CITY** contracts, and on their or either of their request to provide evidence that it has or will comply therewith.
- E. The failure of any **CONTRACTOR** to comply with the Affirmative Action Program provisions of **CITY** contracts may be deemed to be a material breach of contract. Such failure shall only be established upon a finding to that effect by the awarding authority, on the basis of its own investigation or that of the Board of Public Works, Office of Contract Compliance. No such finding shall be made except upon a full and fair hearing after notice and an opportunity to be heard has been given to **CONTRACTOR**.
- F. Upon a finding duly made that **CONTRACTOR** has breached the Affirmative Action Program provisions of a **CITY** contract, the contract may be forthwith cancelled, terminated or suspended, in whole or in part, by the awarding authority, and all monies due or to become due hereunder may be forwarded to and retained by the **CITY**. In addition thereto, such breach may be the basis for a determination by the awarding authority or the Board of Public Works that the said **CONTRACTOR** is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Los Angeles City Charter. In the event of such determination, such **CONTRACTOR** shall be disqualified from being awarded a contract with the **CITY** for a period of two years, or until he or she shall establish and carry out a program in conformance with the provisions hereof.
- G. In the event of a finding by the Fair Employment and Housing Commission of the State of California, or the Board of Public Works of the City of Los Angeles, or any court of competent jurisdiction, that **CONTRACTOR** has been guilty of a willful violation of the California Fair Employment and Housing Act, or the Affirmative Action Program provisions of a **CITY** contract, there may be deducted from the amount payable to **CONTRACTOR** by the **CITY** under the contract, a penalty of ten dollars

(\$10.00) for each person for each calendar day on which such person was discriminated against in violation of the provisions of a **CITY** contract.

- H. Notwithstanding any other provisions of a **CITY** contract, the **CITY** shall have any and all other remedies at law or in equity for any breach hereof.
- I. Intentionally blank.
- J. Nothing contained in **CITY** contracts shall be construed in any manner so as to require or permit any act which is prohibited by law.
- K. **CONTRACTOR** shall submit an Affirmative Action Plan which shall meet the requirements of this chapter at the time it submits its bid or proposal or at the time it registers to do business with the **CITY**. The plan shall be subject to approval by the Office of Contract Compliance prior to award of the contract. The awarding authority may also require contractors and suppliers to take part in a pre-registration, pre-bid, pre-proposal, or pre-award conference in order to develop, improve or implement a qualifying Affirmative Action Plan. Affirmative Action Programs developed pursuant to this section shall be effective for a period of twelve months from the date of approval by the Office of Contract Compliance. In case of prior submission of a plan, **CONTRACTOR** may submit documentation that it has an Affirmative Action Plan approved by the Office of Contract Compliance within the previous twelve months. If the approval is 30 days or less from expiration, **CONTRACTOR** must submit a new Plan to the Office of Contract Compliance and that Plan must be approved before the contract is awarded.
 - 1. Every contract of \$5,000 or more which may provide construction, demolition, renovation, conservation or major maintenance of any kind shall in addition comply with the requirements of Section 10.13 of the Los Angeles Administrative Code.
 - 2. **CONTRACTOR** may establish and adopt as its own Affirmative Action Plan, by affixing his or her signature thereto, an Affirmative Action Plan prepared and furnished by the Office of Contract Compliance, or it may prepare and submit its own Plan for approval.
- L. The Office of Contract Compliance shall annually supply the awarding authorities of the **CITY** with a list of contractors and suppliers who have developed Affirmative Action Programs. For each contractor and supplier the Office of Contract Compliance shall state the date the approval expires. The Office of Contract Compliance shall not withdraw its approval for any Affirmative Action Plan or change the Affirmative Action Plan after the date of contract award for the entire contract term without the mutual agreement of the awarding authority and **CONTRACTOR**.

- M. The Affirmative Action Plan required to be submitted hereunder and the pre-registration, pre-bid, pre-proposal or pre-award conference which may be required by the Board of Public Works, Office of Contract Compliance or the awarding authority shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:
1. Apprenticeship where approved programs are functioning, and other on-the-job training for non-apprenticeable occupations;
 2. Classroom preparation for the job when not apprenticeable;
 3. Pre-apprenticeship education and preparation;
 4. Upgrading training and opportunities;
 5. Encouraging the use of contractors, subcontractors and suppliers of all racial and ethnic groups, provided, however, that any contract subject to this ordinance shall require the contractor, subcontractor or supplier to provide not less than the prevailing wage, working conditions and practices generally observed in private industries in the contractor's, subcontractor's or supplier's geographical area for such work;
 6. The entry of qualified women, minority and all other journeymen into the industry; and
 7. The provision of needed supplies or job conditions to permit persons with disabilities to be employed, and minimize the impact of any disability.
- N. Any adjustments which may be made in the contractor's or supplier's workforce to achieve the requirements of the **CITY'S** Affirmative Action Contract Compliance Program in purchasing and construction shall be accomplished by either an increase in the size of the workforce or replacement of those employees who leave the workforce by reason of resignation, retirement or death and not by termination, layoff, demotion or change in grade.
- O. Affirmative Action Agreements resulting from the proposed Affirmative Action Plan or the pre-registration, pre-bid, pre-proposal or pre-award conferences shall not be confidential and may be publicized by the contractor at his or her discretion. Approved Affirmative Action Agreements become the property of the **CITY** and may be used at the discretion of the **CITY** in its Contract Compliance Affirmative Action Program.
- P. Intentionally blank.

- Q. All contractors subject to the provisions of this section shall include a like provision in all subcontracts awarded for work to be performed under the contract with the **CITY** and shall impose the same obligations, including but not limited to filing and reporting obligations, on the subcontractors as are applicable to the contractor. Failure of the contractor to comply with this requirement or to obtain the compliance of its subcontractors with all such obligations shall subject the contractor to the imposition of any and all sanctions allowed by law, including but not limited to termination of the contractor's contract with the **CITY**.

Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract. Failure of **CONTRACTOR** to obtain compliance of its subcontractors shall constitute a default by **CONTRACTOR** under this Contract, subjecting this Contract to termination where such default shall continue for more than ninety (90) days after notice of such default to **CONTRACTOR** by the **CITY**.

CONTRACTOR certifies that, to the best of its knowledge, it is fully complying with the Earnings Assignment Orders of all employees, and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in Section 7110(b) of the California Public Contract Code.

Impoundment shall mean that from monies due **CONTRACTOR**, **CITY** may deduct the amount determined to be due and owing by **CONTRACTOR** to its employees. Such monies shall be placed in the holding account referred to in LWO Section 10.37.6(d)(3) and disposed of under procedures described therein through final and binding arbitration. Whether **CONTRACTOR** is to continue work following an impoundment shall remain in the sole discretion of the **CITY**. **CONTRACTOR** may not elect to discontinue work either because there has been an impoundment or because of the ultimate disposition of the impoundment by the arbitrator.

- A. During the performance of the Contract, **CONTRACTOR** certifies and represents that **CONTRACTOR** will comply with the EBO.

EXHIBIT 1

INSURANCE CONTRACTUAL REQUIREMENTS

CONTACT For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at www.lacity.org/cao/risk. The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-4, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

CONTRACT NO. _____

BETWEEN

THE CITY OF LOS ANGELES

DEPARTMENT OF RECREATION AND PARKS

AND

JUDGE NETTING, INC.

FOR FENCE AND WALL INSTALLATION, MAINTENANCE AND/OR REPAIRS

This CONTRACT is made and entered into this ____ day of _____, 20__, by and between the City of Los Angeles, a municipal corporation, acting by and through its Board of Recreation and Park Commissioners (hereinafter referred to as CITY), and JUDGE NETTING, INC., hereinafter referred to as CONTRACTOR.

RECITALS

WHEREAS, the Department of Recreation and Parks (DEPARTMENT) owns various facilities and infrastructure throughout the City of Los Angeles and is responsible for the maintenance and improvements for such facilities and infrastructure; and

WHEREAS, DEPARTMENT requires the services of an experienced and responsible CONTRACTOR to perform Sports Netting/Fencing for the DEPARTMENT; and

WHEREAS, a Request for Qualifications (RFQ) for Fence and Wall Installation, Maintenance and/or Repairs was released on September 1, 2016, and nine (9) responses to the RFQ were received on November 3, 2016; and

WHEREAS, the CONTRACTOR'S response met the minimum requirement for the Sports Netting/Fencing component as specified in the RFQ; and

WHEREAS, CONTRACTOR has the necessary equipment and staff who possess sufficient knowledge, expertise, and experience required to provide the necessary services and has indicated its willingness to perform such services; and

WHEREAS, CITY, pursuant to Charter Section 371(e)(2) and Los Angeles Administrative Code Section 10.15(a)(2), finds that competitive bidding is not practicable or advantageous as it is necessary for the DEPARTMENT to be able to call on contractors to perform this expert, technical work as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as needed contractors each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor; and,

WHEREAS, CITY, pursuant to Charter Section 372, finds that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this agreement is not reasonably practicable or compatible with the DEPARTMENT's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price and expertise and that it is therefore necessary to have several as-needed contractors for this type of service available when called upon by the DEPARTMENT to perform services; and,

WHEREAS, CITY, pursuant to Charter Section 371(e)(10), finds that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by the Department to provide as-needed fence and wall installation, maintenance and repairs services;

WHEREAS, CITY, pursuant to Charter Section 1022, finds that Department does not have, available in its employ, personnel with sufficient time or necessary expertise to undertake (*this task*) in a timely manner, and it is more feasible, economical and in RAP's best interest, to secure these services by contract with several contractors to perform this work as-needed and on an occasional, but frequent basis, without engaging in a new competitive bidding process for each individual project to be performed; and

NOW, THEREFORE, CITY AND CONTRACTOR, in consideration of the recitals above and of the terms, covenants, and conditions contained herein, agree as follows:

PSC-1. CONSTRUCTION OF PROVISIONS AND TITLES HEREIN

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions hereof. The language of this Contract shall be construed according to its fair meaning and not strictly for or against the **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" herein in this Contract includes the party or parties identified in the Contract. The singular shall include the plural; if there is more than one **CONTRACTOR** herein, unless expressly stated otherwise, their obligations and liabilities hereunder shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. NUMBER OF ORIGINALS

The number of original texts of this Contract shall be equal to the number of the parties hereto, one text being retained by each party. At the **CITY'S** option, one or more additional original texts of this Contract may also be retained by the City.

PSC-3. APPLICABLE LAW, INTERPRETATION AND ENFORCEMENT

Each party's performance hereunder shall comply with all applicable laws of the United States of America, the State of California, and the **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing laws which affect employees. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, and/or procedures that apply to the performance of this Contract.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any law of a federal, state or local government having jurisdiction over this Contract, the validity of the remaining parts, terms or provisions of the Contract shall not be affected thereby.

PSC-4. TIME OF EFFECTIVENESS

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR** hereto;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of the **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-5. INTEGRATED CONTRACT

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in paragraph PSC-6 hereof.

PSC-6. AMENDMENT

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-4.

PSC-7. EXCUSABLE DELAYS

In the event that performance on the part of any party hereto is delayed or suspended as a result of circumstances beyond the reasonable control and without the fault and negligence of said party, none of the parties shall incur any liability to the other parties as a result of such delay or suspension. Circumstances deemed to be beyond the control of the parties hereunder include, but are not limited to, acts of God or of the public enemy; insurrection; acts of the Federal Government or any unit of State or Local Government in either sovereign or contractual capacity; fires; floods; earthquakes; epidemics; quarantine restrictions; strikes; freight embargoes or delays in transportation, to the extent that they are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.

PSC-8. BREACH

Except for excusable delays as described in PSC-7, if any party fails to perform, in whole or in part, any promise, covenant, or agreement set forth herein, or should any representation made by it be untrue, any aggrieved party may avail itself of all rights

and remedies, at law or equity, in the courts of law. Said rights and remedies are cumulative of those provided for herein except that in no event shall any party recover more than once, suffer a penalty or forfeiture, or be unjustly compensated.

PSC-9. WAIVER

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-10. TERMINATION

A. TERMINATION FOR CONVENIENCE

The **CITY** may terminate this Contract for the **CITY'S** convenience at any time by giving **CONTRACTOR** thirty days written notice thereof. Upon receipt of said notice, **CONTRACTOR** shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities. The **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to affect such termination. Thereafter, **CONTRACTOR** shall have no further claims against the **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon the date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.

B. TERMINATION FOR BREACH OF CONTRACT

1. Except for excusable delays as provided in PSC-7, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, the **CITY** may give **CONTRACTOR** written notice of such default. If **CONTRACTOR** does not cure such default or provide a plan to cure such default which is acceptable to the **CITY** within the time permitted by the **CITY**, then the **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then the **CITY** may immediately terminate this Contract.
3. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates the

CITY'S lobbying policies, then the **CITY** may immediately terminate this Contract.

4. In the event the **CITY** terminates this Contract as provided in this section, the **CITY** may procure, upon such terms and in such manner as the **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to the **CITY** for all of its costs and damages, including, but not limited, any excess costs for such services.
5. All finished or unfinished documents and materials produced or procured under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.
6. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-10(A) Termination for Convenience.
7. The rights and remedies of the **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

PSC-11. INDEPENDENT CONTRACTOR

CONTRACTOR is acting hereunder as an independent contractor and not as an agent or employee of the **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of the **CITY**.

PSC-12. CONTRACTOR'S PERSONNEL

Unless otherwise provided or approved by the **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. The **CITY** shall have the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** agrees to remove personnel from performing work under this Contract if requested to do so by the **CITY**.

CONTRACTOR shall not use subcontractors to assist in performance of this Contract without the prior written approval of the **CITY**. If the **CITY** permits the use of subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of

this Contract. The **CITY** has the right to approve **CONTRACTOR'S** subcontractors, and the **CITY** reserves the right to request replacement of subcontractors. The **CITY** does not have any obligation to pay **CONTRACTOR'S** subcontractors, and nothing herein creates any privity between the **CITY** and the subcontractors.

PSC-13. PROHIBITION AGAINST ASSIGNMENT OR DELEGATION

CONTRACTOR may not, unless it has first obtained the written permission of the **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-14. PERMITS

CONTRACTOR and its directors, officers, partners, agents, employees, and subcontractors, to the extent allowed hereunder, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance hereunder and shall pay any fees required therefor. **CONTRACTOR** certifies to immediately notify the **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents.

PSC-15. CLAIMS FOR LABOR AND MATERIALS

CONTRACTOR shall promptly pay when due all amounts payable for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), against **CONTRACTOR'S** rights to payments hereunder, or against the **CITY**, and shall pay all amounts due under the Unemployment Insurance Act with respect to such labor.

PSC-16. CURRENT LOS ANGELES CITY BUSINESS TAX REGISTRATION CERTIFICATE REQUIRED

If applicable, **CONTRACTOR** represents that it has obtained and presently holds the Business Tax Registration Certificate(s) required by the **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code. For the term covered by this Contract, **CONTRACTOR** shall maintain, or obtain as necessary, all such Certificates required of it under the Business Tax Ordinance, and shall not allow any such Certificate to be revoked or suspended.

PSC-17. RETENTION OF RECORDS, AUDIT AND REPORTS

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form, in accordance with

requirements prescribed by the **CITY**. These records shall be retained for a period of no less than three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. Said records shall be subject to examination and audit by authorized **CITY** personnel or by the **CITY'S** representative at any time during the term of this Contract or within the three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. **CONTRACTOR** shall provide any reports requested by the **CITY** regarding performance of this Contract. Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract.

PSC-18. FALSE CLAIMS ACT

CONTRACTOR acknowledges that it is aware of liabilities resulting from submitting a false claim for payment by the **CITY** under the False Claims Act (Cal. Gov. Code §§ 12650 *et seq.*), including treble damages, costs of legal actions to recover payments, and civil penalties of up to \$10,000 per false claim.

PSC-19. BONDS

All bonds which may be required hereunder shall conform to **CITY** requirements established by Charter, ordinance or policy, and shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Sections 11.47 through 11.56 of the Los Angeles Administrative Code.

PSC-20. INDEMNIFICATION

Except for the active negligence or willful misconduct of the **CITY**, or any of its Boards, Officers, Agents, Employees, Assigns and Successors in Interest, **CONTRACTOR** undertakes and agrees to defend, indemnify and hold harmless the **CITY** and any of its Boards, Officers, Agents, Employees, Assigns, and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by the **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of the negligent acts, errors, omissions or willful misconduct incident to the performance of this Contract by **CONTRACTOR** or its subcontractors of any tier. Rights and remedies available to the **CITY** under this provision are cumulative of those provided for elsewhere in this Contract and those allowed under the laws of the United States, the State of California, and the **CITY**. The provisions of PSC-20 shall survive expiration or termination of this Contract.

PSC-21. INTELLECTUAL PROPERTY INDEMNIFICATION

CONTRACTOR, at its own expense, undertakes and agrees to defend, indemnify, and hold harmless the **CITY**, and any of its Boards, Officers, Agents, Employees, Assigns,

and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by the **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information right (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its subcontractors of any tier, in performing the work under this Contract; or (2) as a result of the **CITY'S** actual or intended use of any Work Product furnished by **CONTRACTOR**, or its subcontractors of any tier, under the Agreement. Rights and remedies available to the **CITY** under this provision are cumulative of those provided for elsewhere in this Contract and those allowed under the laws of the United States, the State of California, and the **CITY**. The provisions of PSC-21 shall survive expiration or termination of this Contract.

PSC-22. INTELLECTUAL PROPERTY WARRANTY

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patents, copyrights, trademarks, trade secrets, rights of publicity and proprietary information.

PSC-23. OWNERSHIP AND LICENSE

Unless otherwise provided for herein, all Work Products originated and prepared by **CONTRACTOR** or its subcontractors of any tier under this Contract shall be and remain the exclusive property of the **CITY** for its use in any manner it deems appropriate. Work Products are all works, tangible or not, created under this Contract including, without limitation, documents, material, data, reports, manuals, specifications, artwork, drawings, sketches, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas matters and combinations thereof, and all forms of intellectual property. **CONTRACTOR** hereby assigns, and agrees to assign, all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared by **CONTRACTOR** under this Contract. **CONTRACTOR** further agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.

For all Work Products delivered to the **CITY** that are not originated or prepared by **CONTRACTOR** or its subcontractors of any tier under this Contract, **CONTRACTOR** hereby grants a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

CONTRACTOR shall not provide or disclose any Work Product to any third party without prior written consent of the **CITY**.

Any subcontract entered into by **CONTRACTOR** relating to this Contract, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract to contractually bind or otherwise oblige its subcontractors performing work under this Contract such that the **CITY'S** ownership and license rights of all Work Products are preserved and protected as intended herein. Failure of **CONTRACTOR** to comply with this requirement or to obtain the compliance of its subcontractors with such obligations shall subject **CONTRACTOR** to the imposition of any and all sanctions allowed by law, including but not limited to termination of **CONTRACTOR'S** contract with the **CITY**.

PSC-24. INSURANCE

During the term of this Contract and without limiting **CONTRACTOR'S** indemnification of the **CITY**, **CONTRACTOR** shall provide and maintain at its own expense a program of insurance having the coverages and limits customarily carried and actually arranged by **CONTRACTOR**, but not less than the amounts and types listed on the Required Insurance and Minimum Limits sheet (Form General 146 in Exhibit 1 hereto), covering its operations hereunder. Exhibit 1 is hereby incorporated by reference and made a part of this Contract.

PSC-25. DISCOUNT TERMS

CONTRACTOR agrees to offer the **CITY** any discount terms that are offered to its best customers for the goods and services to be provided hereunder and apply such discount to payments made under this Contract which meet the discount terms.

PSC-26. WARRANTY AND RESPONSIBILITY OF CONTRACTOR

CONTRACTOR warrants that the work performed hereunder shall be completed in a manner consistent with professional standards practiced among those firms within **CONTRACTOR'S** profession, doing the same or similar work under the same or similar circumstances.

PSC-27. NON-DISCRIMINATION

Unless otherwise exempt, this Contract is subject to the non-discrimination provisions in Sections 10.8 through 10.8.2 of the Los Angeles Administrative Code, as amended from time to time. The **CONTRACTOR** shall comply with the applicable non-discrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the **CITY**. In performing this Contract, **CONTRACTOR** shall not

discriminate in its employment practices against any employee or applicant for employment because of such person's race, religion, national origin, ancestry, sex, sexual orientation, age, disability, domestic partner status, marital status or medical condition. Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract.

Failure of **CONTRACTOR** to comply with this requirement or to obtain the compliance of its subcontractors with such obligations shall subject **CONTRACTOR** to the imposition of any and all sanctions allowed by law, including but not limited to termination of **CONTRACTOR'S** contract with the **CITY**.

PSC-28. EQUAL EMPLOYMENT PRACTICES

Unless otherwise exempt, this Contract is subject to the equal employment practices provisions in Section 10.8.3 of the Los Angeles Administrative Code, as amended from time to time.

- A. During the performance of this Contract, **CONTRACTOR** agrees and represents that it will provide equal employment practices and **CONTRACTOR** and each subcontractor hereunder will ensure that in his or her employment practices persons are employed and employees are treated equally and without regard to or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
 - 1. This provision applies to work or service performed or materials manufactured or assembled in the United States.
 - 2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.

- C. As part of the **CITY'S** supplier registration process, and/or at the request of the awarding authority, or the Board of Public Works, Office of Contract Compliance, **CONTRACTOR** shall certify in the specified format that he or she has not discriminated in the performance of **CITY** contracts against any employee or applicant for employment on the basis or because of

race, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

- D. **CONTRACTOR** shall permit access to and may be required to provide certified copies of all of his or her records pertaining to employment and to employment practices by the awarding authority or the Office of Contract Compliance for the purpose of investigation to ascertain compliance with the Equal Employment Practices provisions of **CITY** contracts. On their or either of their request **CONTRACTOR** shall provide evidence that he or she has or will comply therewith.
- E. The failure of any **CONTRACTOR** to comply with the Equal Employment Practices provisions of this Contract may be deemed to be a material breach of **CITY** contracts. Such failure shall only be established upon a finding to that effect by the awarding authority, on the basis of its own investigation or that of the Board of Public Works, Office of Contract Compliance. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard has been given to **CONTRACTOR**.
- F. Upon a finding duly made that **CONTRACTOR** has failed to comply with the Equal Employment Practices provisions of a **CITY** contract, the contract may be forthwith canceled, terminated or suspended, in whole or in part, by the awarding authority, and all monies due or to become due hereunder may be forwarded to and retained by the **CITY**. In addition thereto, such failure to comply may be the basis for a determination by the awarding authority or the Board of Public Works that the **CONTRACTOR** is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Charter of the City of Los Angeles. In the event of such a determination, **CONTRACTOR** shall be disqualified from being awarded a contract with the **CITY** for a period of two years, or until **CONTRACTOR** shall establish and carry out a program in conformance with the provisions hereof.
- G. Notwithstanding any other provision of this Contract, the **CITY** shall have any and all other remedies at law or in equity for any breach hereof.
- H. Intentionally blank.
- I. Nothing contained in this Contract shall be construed in any manner so as to require or permit any act which is prohibited by law.
- J. At the time a supplier registers to do business with the **CITY**, or when an individual bid or proposal is submitted, **CONTRACTOR** shall agree to adhere to the Equal Employment Practices specified herein during the performance or conduct of **CITY** Contracts.

- K. Equal Employment Practices shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:
 - 1. Hiring practices;

 - 3. Training and promotional opportunities; and
 - 4. Reasonable accommodations for persons with disabilities.

- L. Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract. PSC-29. AFFIRMATIVE ACTION PROGRAM

Unless otherwise exempt, this Contract is subject to the affirmative action program provisions in Section 10.8.4 of the Los Angeles Administrative Code, as amended from time to time.

- A. During the performance of a **CITY** contract, **CONTRACTOR** certifies and represents that **CONTRACTOR** and each subcontractor hereunder will adhere to an affirmative action program to ensure that in its employment practices, persons are employed and employees are treated equally and without regard to or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
 - 1. This provision applies to work or services performed or materials manufactured or assembled in the United States.
 - 2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.
 - 3. **CONTRACTOR** shall post a copy of Paragraph A hereof in conspicuous places at its place of business available to employees and applicants for employment.

- B. **CONTRACTOR** will, in all solicitations or advertisements for employees placed by or on behalf of **CONTRACTOR**, state that all qualified applicants will receive consideration for employment without regard to

their race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.

- C. As part of the **CITY'S** supplier registration process, and/or at the request of the awarding authority or the Office of Contract Compliance, **CONTRACTOR** shall certify on an electronic or hard copy form to be supplied, that **CONTRACTOR** has not discriminated in the performance of **CITY** contracts against any employee or applicant for employment on the basis or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
- D. **CONTRACTOR** shall permit access to and may be required to provide certified copies of all of its records pertaining to employment and to its employment practices by the awarding authority or the Office of Contract Compliance, for the purpose of investigation to ascertain compliance with the Affirmative Action Program provisions of **CITY** contracts, and on their or either of their request to provide evidence that it has or will comply therewith.
- E. The failure of any **CONTRACTOR** to comply with the Affirmative Action Program provisions of **CITY** contracts may be deemed to be a material breach of contract. Such failure shall only be established upon a finding to that effect by the awarding authority, on the basis of its own investigation or that of the Board of Public Works, Office of Contract Compliance. No such finding shall be made except upon a full and fair hearing after notice and an opportunity to be heard has been given to **CONTRACTOR**.
- F. Upon a finding duly made that **CONTRACTOR** has breached the Affirmative Action Program provisions of a **CITY** contract, the contract may be forthwith cancelled, terminated or suspended, in whole or in part, by the awarding authority, and all monies due or to become due hereunder may be forwarded to and retained by the **CITY**. In addition thereto, such breach may be the basis for a determination by the awarding authority or the Board of Public Works that the said **CONTRACTOR** is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Los Angeles City Charter. In the event of such determination, such **CONTRACTOR** shall be disqualified from being awarded a contract with the **CITY** for a period of two years, or until he or she shall establish and carry out a program in conformance with the provisions hereof.
- G. In the event of a finding by the Fair Employment and Housing Commission of the State of California, or the Board of Public Works of the City of Los Angeles, or any court of competent jurisdiction, that **CONTRACTOR** has been guilty of a willful violation of the California Fair Employment and Housing Act, or the Affirmative Action Program provisions of a **CITY** contract, there may be deducted from the amount payable to **CONTRACTOR** by the **CITY** under the contract, a penalty of ten dollars

(\$10.00) for each person for each calendar day on which such person was discriminated against in violation of the provisions of a **CITY** contract.

- H. Notwithstanding any other provisions of a **CITY** contract, the **CITY** shall have any and all other remedies at law or in equity for any breach hereof.
- I. Intentionally blank.
- J. Nothing contained in **CITY** contracts shall be construed in any manner so as to require or permit any act which is prohibited by law.
- K. **CONTRACTOR** shall submit an Affirmative Action Plan which shall meet the requirements of this chapter at the time it submits its bid or proposal or at the time it registers to do business with the **CITY**. The plan shall be subject to approval by the Office of Contract Compliance prior to award of the contract. The awarding authority may also require contractors and suppliers to take part in a pre-registration, pre-bid, pre-proposal, or pre-award conference in order to develop, improve or implement a qualifying Affirmative Action Plan. Affirmative Action Programs developed pursuant to this section shall be effective for a period of twelve months from the date of approval by the Office of Contract Compliance. In case of prior submission of a plan, **CONTRACTOR** may submit documentation that it has an Affirmative Action Plan approved by the Office of Contract Compliance within the previous twelve months. If the approval is 30 days or less from expiration, **CONTRACTOR** must submit a new Plan to the Office of Contract Compliance and that Plan must be approved before the contract is awarded.
 - 1. Every contract of \$5,000 or more which may provide construction, demolition, renovation, conservation or major maintenance of any kind shall in addition comply with the requirements of Section 10.13 of the Los Angeles Administrative Code.
 - 2. **CONTRACTOR** may establish and adopt as its own Affirmative Action Plan, by affixing his or her signature thereto, an Affirmative Action Plan prepared and furnished by the Office of Contract Compliance, or it may prepare and submit its own Plan for approval.
- L. The Office of Contract Compliance shall annually supply the awarding authorities of the **CITY** with a list of contractors and suppliers who have developed Affirmative Action Programs. For each contractor and supplier the Office of Contract Compliance shall state the date the approval expires. The Office of Contract Compliance shall not withdraw its approval for any Affirmative Action Plan or change the Affirmative Action Plan after the date of contract award for the entire contract term without the mutual agreement of the awarding authority and **CONTRACTOR**.

- M. The Affirmative Action Plan required to be submitted hereunder and the pre-registration, pre-bid, pre-proposal or pre-award conference which may be required by the Board of Public Works, Office of Contract Compliance or the awarding authority shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:
1. Apprenticeship where approved programs are functioning, and other on-the-job training for non-apprenticeable occupations;
 2. Classroom preparation for the job when not apprenticeable;
 3. Pre-apprenticeship education and preparation;
 4. Upgrading training and opportunities;
 5. Encouraging the use of contractors, subcontractors and suppliers of all racial and ethnic groups, provided, however, that any contract subject to this ordinance shall require the contractor, subcontractor or supplier to provide not less than the prevailing wage, working conditions and practices generally observed in private industries in the contractor's, subcontractor's or supplier's geographical area for such work;
 6. The entry of qualified women, minority and all other journeymen into the industry; and
 7. The provision of needed supplies or job conditions to permit persons with disabilities to be employed, and minimize the impact of any disability.
- N. Any adjustments which may be made in the contractor's or supplier's workforce to achieve the requirements of the **CITY'S** Affirmative Action Contract Compliance Program in purchasing and construction shall be accomplished by either an increase in the size of the workforce or replacement of those employees who leave the workforce by reason of resignation, retirement or death and not by termination, layoff, demotion or change in grade.
- O. Affirmative Action Agreements resulting from the proposed Affirmative Action Plan or the pre-registration, pre-bid, pre-proposal or pre-award conferences shall not be confidential and may be publicized by the contractor at his or her discretion. Approved Affirmative Action Agreements become the property of the **CITY** and may be used at the discretion of the **CITY** in its Contract Compliance Affirmative Action Program.
- P. Intentionally blank.

- Q. All contractors subject to the provisions of this section shall include a like provision in all subcontracts awarded for work to be performed under the contract with the **CITY** and shall impose the same obligations, including but not limited to filing and reporting obligations, on the subcontractors as are applicable to the contractor. Failure of the contractor to comply with this requirement or to obtain the compliance of its subcontractors with all such obligations shall subject the contractor to the imposition of any and all sanctions allowed by law, including but not limited to termination of the contractor's contract with the **CITY**.

Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract. Failure of **CONTRACTOR** to obtain compliance of its subcontractors shall constitute a default by **CONTRACTOR** under this Contract, subjecting this Contract to termination where such default shall continue for more than ninety (90) days after notice of such default to **CONTRACTOR** by the **CITY**.

CONTRACTOR certifies that, to the best of its knowledge, it is fully complying with the Earnings Assignment Orders of all employees, and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in Section 7110(b) of the California Public Contract Code.

Impoundment shall mean that from monies due **CONTRACTOR**, **CITY** may deduct the amount determined to be due and owing by **CONTRACTOR** to its employees. Such monies shall be placed in the holding account referred to in LWO Section 10.37.6(d)(3) and disposed of under procedures described therein through final and binding arbitration. Whether **CONTRACTOR** is to continue work following an impoundment shall remain in the sole discretion of the **CITY**. **CONTRACTOR** may not elect to discontinue work either because there has been an impoundment or because of the ultimate disposition of the impoundment by the arbitrator.

- A. During the performance of the Contract, **CONTRACTOR** certifies and represents that **CONTRACTOR** will comply with the EBO.
- B. The failure of **CONTRACTOR** to comply with the EBO will be deemed to be a material breach of this Contract by the **CITY**.

EXHIBIT 1

INSURANCE CONTRACTUAL REQUIREMENTS

CONTACT For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at www.lacity.org/cao/risk. The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-4, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

CONTRACT NO. _____

BETWEEN

THE CITY OF LOS ANGELES

DEPARTMENT OF RECREATION AND PARKS

AND

UNITED RIGGERS AND ERECTORS, INC.

FOR FENCE AND WALL INSTALLATION, MAINTENANCE AND/OR REPAIRS

This CONTRACT is made and entered into this ___ day of _____, 20__, by and between the City of Los Angeles, a municipal corporation, acting by and through its Board of Recreation and Park Commissioners (hereinafter referred to as CITY), and UNITED RIGGERS AND ERECTORS, INC., hereinafter referred to as CONTRACTOR.

RECITALS

WHEREAS, the Department of Recreation and Parks (DEPARTMENT) owns various facilities and infrastructure throughout the City of Los Angeles and is responsible for the maintenance and improvements for such facilities and infrastructure; and

WHEREAS, DEPARTMENT requires the services of an experienced and responsible CONTRACTOR to perform 1) Ornamental Fencing, and 2) Masonry Walls for the DEPARTMENT; and

WHEREAS, a Request for Qualifications (RFQ) for Fence and Wall Installation, Maintenance and/or Repairs was released on September 1, 2016, and nine (9) responses to the RFQ were received on November 3, 2016; and

WHEREAS, the CONTRACTOR'S response met the minimum requirement for the 1) Ornamental Fencing, and 2) Masonry Walls components as specified in the RFQ; and

WHEREAS, CONTRACTOR has the necessary equipment and staff who possess sufficient knowledge, expertise, and experience required to provide the necessary services and has indicated its willingness to perform such services; and

WHEREAS, CITY, pursuant to Charter Section 371(e)(2) and Los Angeles Administrative Code Section 10.15(a)(2), finds that competitive bidding is not practicable or advantageous as it is necessary for the DEPARTMENT to be able to call on contractors to perform this expert, technical work as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as needed contractors each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor; and,

WHEREAS, CITY, pursuant to Charter Section 372, finds that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this agreement is not reasonably practicable or compatible with the DEPARTMENT's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price and expertise and that it is therefore necessary to have several as-needed contractors for this type of service available when called upon by the DEPARTMENT to perform services; and,

WHEREAS, CITY, pursuant to Charter Section 371(e)(10), finds that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by the Department to provide as-needed fence and wall installation, maintenance and repairs services;

WHEREAS, CITY, pursuant to Charter Section 1022, finds that Department does not have, available in its employ, personnel with sufficient time or necessary expertise to undertake (*this task*) in a timely manner, and it is more feasible, economical and in RAP's best interest, to secure these services by contract with several contractors to perform this work as-needed and on an occasional, but frequent basis, without engaging in a new competitive bidding process for each individual project to be performed; and

NOW, THEREFORE, CITY AND CONTRACTOR, in consideration of the recitals above and of the terms, covenants, and conditions contained herein, agree as follows:

STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. CONSTRUCTION OF PROVISIONS AND TITLES HEREIN

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions hereof. The language of this Contract shall be construed according to its fair meaning and not strictly for or against the **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" herein in this Contract includes the party or parties identified in the Contract. The singular shall include the plural; if there is more than one **CONTRACTOR** herein, unless expressly stated otherwise, their obligations and liabilities hereunder shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. NUMBER OF ORIGINALS

The number of original texts of this Contract shall be equal to the number of the parties hereto, one text being retained by each party. At the **CITY'S** option, one or more additional original texts of this Contract may also be retained by the City.

PSC-3. APPLICABLE LAW, INTERPRETATION AND ENFORCEMENT

Each party's performance hereunder shall comply with all applicable laws of the United States of America, the State of California, and the **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing laws which affect employees. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, and/or procedures that apply to the performance of this Contract.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any law of a federal, state or local government having jurisdiction over this Contract, the validity of the remaining parts, terms or provisions of the Contract shall not be affected thereby.

PSC-4. TIME OF EFFECTIVENESS

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR** hereto;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of the **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-5. INTEGRATED CONTRACT

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in paragraph PSC-6 hereof.

PSC-6. AMENDMENT

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-4.

PSC-7. EXCUSABLE DELAYS

In the event that performance on the part of any party hereto is delayed or suspended as a result of circumstances beyond the reasonable control and without the fault and negligence of said party, none of the parties shall incur any liability to the other parties as a result of such delay or suspension. Circumstances deemed to be beyond the control of the parties hereunder include, but are not limited to, acts of God or of the public enemy; insurrection; acts of the Federal Government or any unit of State or Local Government in either sovereign or contractual capacity; fires; floods; earthquakes; epidemics; quarantine restrictions; strikes; freight embargoes or delays in transportation, to the extent that they are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.

PSC-8. BREACH

Except for excusable delays as described in PSC-7, if any party fails to perform, in whole or in part, any promise, covenant, or agreement set forth herein, or should any representation made by it be untrue, any aggrieved party may avail itself of all rights

and remedies, at law or equity, in the courts of law. Said rights and remedies are cumulative of those provided for herein except that in no event shall any party recover more than once, suffer a penalty or forfeiture, or be unjustly compensated.

PSC-9. WAIVER

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-10. TERMINATION

A. TERMINATION FOR CONVENIENCE

The **CITY** may terminate this Contract for the **CITY'S** convenience at any time by giving **CONTRACTOR** thirty days written notice thereof. Upon receipt of said notice, **CONTRACTOR** shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities. The **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to affect such termination. Thereafter, **CONTRACTOR** shall have no further claims against the **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon the date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.

B. TERMINATION FOR BREACH OF CONTRACT

1. Except for excusable delays as provided in PSC-7, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, the **CITY** may give **CONTRACTOR** written notice of such default. If **CONTRACTOR** does not cure such default or provide a plan to cure such default which is acceptable to the **CITY** within the time permitted by the **CITY**, then the **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then the **CITY** may immediately terminate this Contract.
3. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates the

CITY'S lobbying policies, then the **CITY** may immediately terminate this Contract.

4. In the event the **CITY** terminates this Contract as provided in this section, the **CITY** may procure, upon such terms and in such manner as the **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to the **CITY** for all of its costs and damages, including, but not limited, any excess costs for such services.
5. All finished or unfinished documents and materials produced or procured under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.
6. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-10(A) Termination for Convenience.
7. The rights and remedies of the **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

PSC-11. INDEPENDENT CONTRACTOR

CONTRACTOR is acting hereunder as an independent contractor and not as an agent or employee of the **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of the **CITY**.

PSC-12. CONTRACTOR'S PERSONNEL

Unless otherwise provided or approved by the **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. The **CITY** shall have the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** agrees to remove personnel from performing work under this Contract if requested to do so by the **CITY**.

CONTRACTOR shall not use subcontractors to assist in performance of this Contract without the prior written approval of the **CITY**. If the **CITY** permits the use of subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of

this Contract. The **CITY** has the right to approve **CONTRACTOR'S** subcontractors, and the **CITY** reserves the right to request replacement of subcontractors. The **CITY** does not have any obligation to pay **CONTRACTOR'S** subcontractors, and nothing herein creates any privity between the **CITY** and the subcontractors.

PSC-13. PROHIBITION AGAINST ASSIGNMENT OR DELEGATION

CONTRACTOR may not, unless it has first obtained the written permission of the **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-14. PERMITS

CONTRACTOR and its directors, officers, partners, agents, employees, and subcontractors, to the extent allowed hereunder, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance hereunder and shall pay any fees required therefor. **CONTRACTOR** certifies to immediately notify the **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents.

PSC-15. CLAIMS FOR LABOR AND MATERIALS

CONTRACTOR shall promptly pay when due all amounts payable for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), against **CONTRACTOR'S** rights to payments hereunder, or against the **CITY**, and shall pay all amounts due under the Unemployment Insurance Act with respect to such labor.

PSC-16. CURRENT LOS ANGELES CITY BUSINESS TAX REGISTRATION CERTIFICATE REQUIRED

If applicable, **CONTRACTOR** represents that it has obtained and presently holds the Business Tax Registration Certificate(s) required by the **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code. For the term covered by this Contract, **CONTRACTOR** shall maintain, or obtain as necessary, all such Certificates required of it under the Business Tax Ordinance, and shall not allow any such Certificate to be revoked or suspended.

PSC-17. RETENTION OF RECORDS, AUDIT AND REPORTS

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form, in accordance with

requirements prescribed by the **CITY**. These records shall be retained for a period of no less than three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. Said records shall be subject to examination and audit by authorized **CITY** personnel or by the **CITY'S** representative at any time during the term of this Contract or within the three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. **CONTRACTOR** shall provide any reports requested by the **CITY** regarding performance of this Contract. Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract.

PSC-18. FALSE CLAIMS ACT

CONTRACTOR acknowledges that it is aware of liabilities resulting from submitting a false claim for payment by the **CITY** under the False Claims Act (Cal. Gov. Code §§ 12650 *et seq.*), including treble damages, costs of legal actions to recover payments, and civil penalties of up to \$10,000 per false claim.

PSC-19. BONDS

All bonds which may be required hereunder shall conform to **CITY** requirements established by Charter, ordinance or policy, and shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Sections 11.47 through 11.56 of the Los Angeles Administrative Code.

PSC-20. INDEMNIFICATION

Except for the active negligence or willful misconduct of the **CITY**, or any of its Boards, Officers, Agents, Employees, Assigns and Successors in Interest, **CONTRACTOR** undertakes and agrees to defend, indemnify and hold harmless the **CITY** and any of its Boards, Officers, Agents, Employees, Assigns, and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by the **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of the negligent acts, errors, omissions or willful misconduct incident to the performance of this Contract by **CONTRACTOR** or its subcontractors of any tier. Rights and remedies available to the **CITY** under this provision are cumulative of those provided for elsewhere in this Contract and those allowed under the laws of the United States, the State of California, and the **CITY**. The provisions of PSC-20 shall survive expiration or termination of this Contract.

PSC-21. INTELLECTUAL PROPERTY INDEMNIFICATION

CONTRACTOR, at its own expense, undertakes and agrees to defend, indemnify, and hold harmless the **CITY**, and any of its Boards, Officers, Agents, Employees, Assigns,

and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by the **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information right (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its subcontractors of any tier, in performing the work under this Contract; or (2) as a result of the **CITY'S** actual or intended use of any Work Product furnished by **CONTRACTOR**, or its subcontractors of any tier, under the Agreement. Rights and remedies available to the **CITY** under this provision are cumulative of those provided for elsewhere in this Contract and those allowed under the laws of the United States, the State of California, and the **CITY**. The provisions of PSC-21 shall survive expiration or termination of this Contract.

PSC-22. INTELLECTUAL PROPERTY WARRANTY

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patents, copyrights, trademarks, trade secrets, rights of publicity and proprietary information.

PSC-23. OWNERSHIP AND LICENSE

Unless otherwise provided for herein, all Work Products originated and prepared by **CONTRACTOR** or its subcontractors of any tier under this Contract shall be and remain the exclusive property of the **CITY** for its use in any manner it deems appropriate. Work Products are all works, tangible or not, created under this Contract including, without limitation, documents, material, data, reports, manuals, specifications, artwork, drawings, sketches, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas matters and combinations thereof, and all forms of intellectual property. **CONTRACTOR** hereby assigns, and agrees to assign, all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared by **CONTRACTOR** under this Contract. **CONTRACTOR** further agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.

For all Work Products delivered to the **CITY** that are not originated or prepared by **CONTRACTOR** or its subcontractors of any tier under this Contract, **CONTRACTOR** hereby grants a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

CONTRACTOR shall not provide or disclose any Work Product to any third party without prior written consent of the **CITY**.

Any subcontract entered into by **CONTRACTOR** relating to this Contract, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract to contractually bind or otherwise oblige its subcontractors performing work under this Contract such that the **CITY'S** ownership and license rights of all Work Products are preserved and protected as intended herein. Failure of **CONTRACTOR** to comply with this requirement or to obtain the compliance of its subcontractors with such obligations shall subject **CONTRACTOR** to the imposition of any and all sanctions allowed by law, including but not limited to termination of **CONTRACTOR'S** contract with the **CITY**.

PSC-24. INSURANCE

During the term of this Contract and without limiting **CONTRACTOR'S** indemnification of the **CITY**, **CONTRACTOR** shall provide and maintain at its own expense a program of insurance having the coverages and limits customarily carried and actually arranged by **CONTRACTOR**, but not less than the amounts and types listed on the Required Insurance and Minimum Limits sheet (Form General 146 in Exhibit 1 hereto), covering its operations hereunder. Such insurance shall conform to **CITY** requirements established by Charter, ordinance or policy, shall comply with the Insurance Contractual Requirements (Form General 133 in Exhibit 1 hereto) and shall otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. **CONTRACTOR** shall comply with all Insurance Contractual Requirements shown on Exhibit 1 hereto. Exhibit 1 is hereby incorporated by reference and made a part of this Contract.

PSC-25. DISCOUNT TERMS

CONTRACTOR agrees to offer the **CITY** any discount terms that are offered to its best customers for the goods and services to be provided hereunder and apply such discount to payments made under this Contract which meet the discount terms.

PSC-26. WARRANTY AND RESPONSIBILITY OF CONTRACTOR

CONTRACTOR warrants that the work performed hereunder shall be completed in a manner consistent with professional standards practiced among those firms within **CONTRACTOR'S** profession, doing the same or similar work under the same or similar circumstances.

PSC-27. NON-DISCRIMINATION

Unless otherwise exempt, this Contract is subject to the non-discrimination provisions in Sections 10.8 through 10.8.2 of the Los Angeles Administrative Code, as amended from time to time. The **CONTRACTOR** shall comply with the applicable non-discrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the **CITY**. In performing this Contract, **CONTRACTOR** shall not

discriminate in its employment practices against any employee or applicant for employment because of such person's race, religion, national origin, ancestry, sex, sexual orientation, age, disability, domestic partner status, marital status or medical condition. Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract.

Failure of **CONTRACTOR** to comply with this requirement or to obtain the compliance of its subcontractors with such obligations shall subject **CONTRACTOR** to the imposition of any and all sanctions allowed by law, including but not limited to termination of **CONTRACTOR'S** contract with the **CITY**.

PSC-28. EQUAL EMPLOYMENT PRACTICES

Unless otherwise exempt, this Contract is subject to the equal employment practices provisions in Section 10.8.3 of the Los Angeles Administrative Code, as amended from time to time.

- A. During the performance of this Contract, **CONTRACTOR** agrees and represents that it will provide equal employment practices and **CONTRACTOR** and each subcontractor hereunder will ensure that in his or her employment practices persons are employed and employees are treated equally and without regard to or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
 - 1. This provision applies to work or service performed or materials manufactured or assembled in the United States.
 - 2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.
 - 3. **CONTRACTOR** agrees to post a copy of Paragraph A hereof in conspicuous places at its place of business available to employees and applicants for employment.
- B. **CONTRACTOR** will, in all solicitations or advertisements for employees placed by or on behalf of **CONTRACTOR**, state that all qualified applicants will receive consideration for employment without regard to their race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
- C. As part of the **CITY'S** supplier registration process, and/or at the request of the awarding authority, or the Board of Public Works, Office of Contract Compliance, **CONTRACTOR** shall certify in the specified format that he or she has not discriminated in the performance of **CITY** contracts against any employee or applicant for employment on the basis or because of

race, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

- D. **CONTRACTOR** shall permit access to and may be required to provide certified copies of all of his or her records pertaining to employment and to employment practices by the awarding authority or the Office of Contract Compliance for the purpose of investigation to ascertain compliance with the Equal Employment Practices provisions of **CITY** contracts. On their or either of their request **CONTRACTOR** shall provide evidence that he or she has or will comply therewith.
- E. The failure of any **CONTRACTOR** to comply with the Equal Employment Practices provisions of this Contract may be deemed to be a material breach of **CITY** contracts. Such failure shall only be established upon a finding to that effect by the awarding authority, on the basis of its own investigation or that of the Board of Public Works, Office of Contract Compliance. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard has been given to **CONTRACTOR**.
- F. Upon a finding duly made that **CONTRACTOR** has failed to comply with the Equal Employment Practices provisions of a **CITY** contract, the contract may be forthwith canceled, terminated or suspended, in whole or in part, by the awarding authority, and all monies due or to become due hereunder may be forwarded to and retained by the **CITY**. In addition thereto, such failure to comply may be the basis for a determination by the awarding authority or the Board of Public Works that the **CONTRACTOR** is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Charter of the City of Los Angeles. In the event of such a determination, **CONTRACTOR** shall be disqualified from being awarded a contract with the **CITY** for a period of two years, or until **CONTRACTOR** shall establish and carry out a program in conformance with the provisions hereof.
- G. Notwithstanding any other provision of this Contract, the **CITY** shall have any and all other remedies at law or in equity for any breach hereof.
- H. Intentionally blank.
- I. Nothing contained in this Contract shall be construed in any manner so as to require or permit any act which is prohibited by law.
- J. At the time a supplier registers to do business with the **CITY**, or when an individual bid or proposal is submitted, **CONTRACTOR** shall agree to adhere to the Equal Employment Practices specified herein during the performance or conduct of **CITY** Contracts.

- K. Equal Employment Practices shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:
 - 1. Hiring practices;
 - 2. Apprenticeships where such approved programs are functioning, and other on-the-job training for non-apprenticeable occupations;
 - 3. Training and promotional opportunities; and
 - 4. Reasonable accommodations for persons with disabilities.

- L. Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract. Failure of **CONTRACTOR** to comply with this requirement or to obtain the compliance of its subcontractors with all such obligations shall subject **CONTRACTOR** to the imposition of any and all sanctions allowed by law, including but not limited to termination of the **CONTRACTOR'S** Contract with the **CITY**.

PSC-29. AFFIRMATIVE ACTION PROGRAM

Unless otherwise exempt, this Contract is subject to the affirmative action program provisions in Section 10.8.4 of the Los Angeles Administrative Code, as amended from time to time.

- A. During the performance of a **CITY** contract, **CONTRACTOR** certifies and represents that **CONTRACTOR** and each subcontractor hereunder will adhere to an affirmative action program to ensure that in its employment practices, persons are employed and employees are treated equally and without regard to or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
 - 1. This provision applies to work or services performed or materials manufactured or assembled in the United States.
 - 2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.
 - 3. **CONTRACTOR** shall post a copy of Paragraph A hereof in conspicuous places at its place of business available to employees and applicants for employment.

- B. **CONTRACTOR** will, in all solicitations or advertisements for employees placed by or on behalf of **CONTRACTOR**, state that all qualified applicants will receive consideration for employment without regard to

their race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.

- C. As part of the **CITY'S** supplier registration process, and/or at the request of the awarding authority or the Office of Contract Compliance, **CONTRACTOR** shall certify on an electronic or hard copy form to be supplied, that **CONTRACTOR** has not discriminated in the performance of **CITY** contracts against any employee or applicant for employment on the basis or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
- D. **CONTRACTOR** shall permit access to and may be required to provide certified copies of all of its records pertaining to employment and to its employment practices by the awarding authority or the Office of Contract Compliance, for the purpose of investigation to ascertain compliance with the Affirmative Action Program provisions of **CITY** contracts, and on their or either of their request to provide evidence that it has or will comply therewith.
- E. The failure of any **CONTRACTOR** to comply with the Affirmative Action Program provisions of **CITY** contracts may be deemed to be a material breach of contract. Such failure shall only be established upon a finding to that effect by the awarding authority, on the basis of its own investigation or that of the Board of Public Works, Office of Contract Compliance. No such finding shall be made except upon a full and fair hearing after notice and an opportunity to be heard has been given to **CONTRACTOR**.
- F. Upon a finding duly made that **CONTRACTOR** has breached the Affirmative Action Program provisions of a **CITY** contract, the contract may be forthwith cancelled, terminated or suspended, in whole or in part, by the awarding authority, and all monies due or to become due hereunder may be forwarded to and retained by the **CITY**. In addition thereto, such breach may be the basis for a determination by the awarding authority or the Board of Public Works that the said **CONTRACTOR** is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Los Angeles City Charter. In the event of such determination, such **CONTRACTOR** shall be disqualified from being awarded a contract with the **CITY** for a period of two years, or until he or she shall establish and carry out a program in conformance with the provisions hereof.
- G. In the event of a finding by the Fair Employment and Housing Commission of the State of California, or the Board of Public Works of the City of Los Angeles, or any court of competent jurisdiction, that **CONTRACTOR** has been guilty of a willful violation of the California Fair Employment and Housing Act, or the Affirmative Action Program provisions of a **CITY** contract, there may be deducted from the amount payable to **CONTRACTOR** by the **CITY** under the contract, a penalty of ten dollars

(\$10.00) for each person for each calendar day on which such person was discriminated against in violation of the provisions of a **CITY** contract.

- H. Notwithstanding any other provisions of a **CITY** contract, the **CITY** shall have any and all other remedies at law or in equity for any breach hereof.
- I. Intentionally blank.
- J. Nothing contained in **CITY** contracts shall be construed in any manner so as to require or permit any act which is prohibited by law.
- K. **CONTRACTOR** shall submit an Affirmative Action Plan which shall meet the requirements of this chapter at the time it submits its bid or proposal or at the time it registers to do business with the **CITY**. The plan shall be subject to approval by the Office of Contract Compliance prior to award of the contract. The awarding authority may also require contractors and suppliers to take part in a pre-registration, pre-bid, pre-proposal, or pre-award conference in order to develop, improve or implement a qualifying Affirmative Action Plan. Affirmative Action Programs developed pursuant to this section shall be effective for a period of twelve months from the date of approval by the Office of Contract Compliance. In case of prior submission of a plan, **CONTRACTOR** may submit documentation that it has an Affirmative Action Plan approved by the Office of Contract Compliance within the previous twelve months. If the approval is 30 days or less from expiration, **CONTRACTOR** must submit a new Plan to the Office of Contract Compliance and that Plan must be approved before the contract is awarded.
 - 1. Every contract of \$5,000 or more which may provide construction, demolition, renovation, conservation or major maintenance of any kind shall in addition comply with the requirements of Section 10.13 of the Los Angeles Administrative Code.
 - 2. **CONTRACTOR** may establish and adopt as its own Affirmative Action Plan, by affixing his or her signature thereto, an Affirmative Action Plan prepared and furnished by the Office of Contract Compliance, or it may prepare and submit its own Plan for approval.
- L. The Office of Contract Compliance shall annually supply the awarding authorities of the **CITY** with a list of contractors and suppliers who have developed Affirmative Action Programs. For each contractor and supplier the Office of Contract Compliance shall state the date the approval expires. The Office of Contract Compliance shall not withdraw its approval for any Affirmative Action Plan or change the Affirmative Action Plan after the date of contract award for the entire contract term without the mutual agreement of the awarding authority and **CONTRACTOR**.

- M. The Affirmative Action Plan required to be submitted hereunder and the pre-registration, pre-bid, pre-proposal or pre-award conference which may be required by the Board of Public Works, Office of Contract Compliance or the awarding authority shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:
1. Apprenticeship where approved programs are functioning, and other on-the-job training for non-apprenticeable occupations;
 2. Classroom preparation for the job when not apprenticeable;

EXHIBIT 1

INSURANCE CONTRACTUAL REQUIREMENTS

CONTACT For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at www.lacity.org/cao/risk. The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-4, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

CONTRACT NO. _____

BETWEEN

THE CITY OF LOS ANGELES

DEPARTMENT OF RECREATION AND PARKS

AND

WEST COAST NETTING

FOR FENCE AND WALL INSTALLATION, MAINTENANCE AND/OR REPAIRS

This CONTRACT is made and entered into this ____ day of _____, 20__, by and between the City of Los Angeles, a municipal corporation, acting by and through its Board of Recreation and Park Commissioners (hereinafter referred to as CITY), and WEST COAST NETTING, hereinafter referred to as CONTRACTOR.

RECITALS

WHEREAS, the Department of Recreation and Parks (DEPARTMENT) owns various facilities and infrastructure throughout the City of Los Angeles and is responsible for the maintenance and improvements for such facilities and infrastructure; and

WHEREAS, DEPARTMENT requires the services of an experienced and responsible CONTRACTOR to perform Sports Netting/Fencing for the DEPARTMENT; and

WHEREAS, a Request for Qualifications (RFQ) for Fence and Wall Installation, Maintenance and/or Repairs was released on September 1, 2016, and nine (9) responses to the RFQ were received on November 3, 2016; and

WHEREAS, the CONTRACTOR'S response met the minimum requirement for the Sports Netting/Fencing component as specified in the RFQ; and

WHEREAS, CONTRACTOR has the necessary equipment and staff who possess sufficient knowledge, expertise, and experience required to provide the necessary services and has indicated its willingness to perform such services; and

WHEREAS, CITY, pursuant to Charter Section 371(e)(2) and Los Angeles Administrative Code Section 10.15(a)(2), finds that competitive bidding is not practicable or advantageous as it is necessary for the DEPARTMENT to be able to call on contractors to perform this expert, technical work as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as needed contractors each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor; and,

WHEREAS, CITY, pursuant to Charter Section 372, finds that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this agreement is not reasonably practicable or compatible with the DEPARTMENT's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price and expertise and that it is therefore necessary to have several as-needed contractors for this type of service available when called upon by the DEPARTMENT to perform services; and,

WHEREAS, CITY, pursuant to Charter Section 371(e)(10), finds that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by the Department to provide as-needed fence and wall installation, maintenance and repairs services;

WHEREAS, CITY, pursuant to Charter Section 1022, finds that Department does not have, available in its employ, personnel with sufficient time or necessary expertise to undertake (*this task*) in a timely manner, and it is more feasible, economical and in RAP's best interest, to secure these services by contract with several contractors to perform this work as-needed and on an occasional, but frequent basis, without engaging in a new competitive bidding process for each individual project to be performed; and

NOW, THEREFORE, CITY AND CONTRACTOR, in consideration of the recitals above and of the terms, covenants, and conditions contained herein, agree as follows:

PSC-10. TERMINATION

A. TERMINATION FOR CONVENIENCE

The **CITY** may terminate this Contract for the **CITY'S** convenience at any time by giving **CONTRACTOR** thirty days written notice thereof. Upon receipt of said notice, **CONTRACTOR** shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities. In addition thereto, such failure to comply may be the basis for a determination by the awarding authority or the Board of Public Works that the **CONTRACTOR** is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Charter of the City of Los Angeles. In the event of such a determination, **CONTRACTOR** shall be disqualified from being awarded a contract with the **CITY** for a period of two years, or until **CONTRACTOR** shall establish and carry out a program in conformance with the provisions hereof.

- E. The failure of any **CONTRACTOR** to comply with the Affirmative Action Program provisions of **CITY** contracts may be deemed to be a material breach of contract. Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract. Failure of **CONTRACTOR** to obtain compliance of its subcontractors shall constitute a default by **CONTRACTOR** under this Contract, subjecting this Contract to termination where such default shall continue for more than ninety (90) days after notice of such default to **CONTRACTOR** by the **CITY**.

CONTRACTOR certifies that, to the best of its knowledge, it is fully complying with the Earnings Assignment Orders of all employees, and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in Section 7110(b) of the California Public Contract Code.
