The selected talent agent(s) / talent provider(s) must have extensive knowledge and experience in securing a wide range of talents that staff cannot provide. These contracts will be used to re-energize the Band Shells, the Pershing Square Concert series, and other event as they arise.

RAP intends to recommend contracts to multiple talent agent(s) / talent provider(s) that are responsive to the RFP to the Board for a one (1) year contract term, with two (2) one (1) year

options to renew, exercisable at the sole discretion of the General Manager, in an amount not to exceed Two Million Dollars (\$2,000,000.00) per year per contract.

Staff has developed and is now ready to release, at the direction of the Board, a RFP which will be advertised per Mayor's Executive Directive No. 14 which states, "...every Department will utilize the Los Angeles Business Assistance Virtual Network (BAVN) as the exclusive means for posting all opportunities for RFP's...." A secondary referral of the RFP being open will be placed on RAP's website directing potential responders to BAVN. In addition, a direct communications inviting participation and bids will be made to a list of interested parties from a list maintained by RAP.

A mandatory pre-proposal conference will be held after the release of the RFP in order to provide proposers with a review of the submittal requirements, compliance documents, and requirements for the Business Inclusion Program (BIP) as required by Executive Directive No. 14, and the Board's policy. A second non-mandatory technical review meeting will be held following to provide direct interaction with proposers seeking assistance and to answer any questions.

### Evaluation Process

Responses will be evaluated in two levels. Level I will be a review by RAP staff for the minimum qualifications and submittal of compliance documents, as stated in the RFQ document. The minimum qualifications will determine the responder's knowledge and experience to perform the terms and specifications of the contract. If a responder's minimum qualification cannot be verified by staff, the responder will be disqualified and no further evaluation will be performed on the response. Level II will be a comprehensive evaluation of the proposals by a panel of City and/or non-City employees. Proposers must successfully pass Level I in order to proceed to Level II.

For the purpose of evaluation, the responsive proposals to Level I will be evaluated on the criteria below (Level II):

- 1) Experience and Minimum Qualifications (40 points);
- 2) Proposed Services and Products (30 points);
- 3) Prices of Proposed Services and Products (30 points);

### Recommendation

The responsive proposals in Level II will each be recommended for a one (1) year contract, with two (2) one (1) year options to renew, exercisable at the sole discretion of the General Manager, in an amount not to exceed Two Million Dollars (\$2,000,000.00) per year per contract.

The contract amount is an estimate, and RAP does not guarantee that the contract maximum amount will be reached. The services that RAP is requesting shall be on an as-needed basis; RAP, in entering into an agreement, guarantees no minimum amount of business or

compensation. The contract awarded through this RFP shall be subject to funding availability and early termination RAP, as provided in the Standard Provisions for City Contracts.

Funding for projects will be provided from various funding sources.

The City may also reject the bid or proposal of any bidder or proposer who has previously failed to timely and satisfactorily perform any contract with the City."

**VII. INSTRUCTIONS TO PROPOSERS**

**A. Submitting a Written Proposal**

To be considered for award of this Contract, proposing entities must submit a sealed, written proposal in response to the Proposal Items indicated in Section V of this RFP. Provide information about your background and your applicable experience. Proposals are evaluated based on several evaluation criteria as indicated in this RFP.

Proposers may wish to consider the following guidelines in preparing their proposals:

- Make sure your proposal is well-organized and easy to read.
- Verify that your proposal is complete and that you've completely responded to all Proposal Items and Compliance Documents in the RFP.
- Formulate responses precisely and with detail; avoid vague, meaningless, or open-ended responses. Explain how your response furthers the stated objective.

**IMPORTANT:**

**Charter Section 371(e)(10)**

In approving this RFP, the Board of Recreation and Parks (hereinafter the "Board"), in its capacity as the contract awarding authority for the Department of Recreation and Parks (RAP), finds, pursuant to Charter Section 371 (e) (10), that the use of competitive bidding would be undesirable, impractical or otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by RAP for the improvement, operation and maintenance of the RAP's concession. To select the best proposer for this concession, the Board finds it is necessary to utilize a standard request for proposals process and to evaluate proposals received based upon the criteria included in this RFP. The Board specifically finds that the narrower and more specialized competitive sealed proposal process authorized but not required by Charter Section 371, subsection (b), would not meet RAP's needs and therefore opts to utilize the standard request for proposals process.

Your written submittal to this RFP process will be the primary basis on which the City will consider its award for the Contract; therefore, proposers should be as thorough and as detailed as possible when responding to each proposal item and assembling a proposal. In the written proposal, proposers must include responses to ALL proposal items requested herein below. Proposers will not be able to add to or modify their proposals after the proposal due date.

The City may deem a proposer non-responsive if the proposer fails to provide all required documentation and copies.

Proposals accepted by the City in writing constitute a legally binding contract offer. It is requested that proposals be prepared simply and economically, avoiding the use of unnecessary promotional material.

**B. Submittal Requirements: Proposals must contain ALL of the following:**

**1. Cover Letter**

Proposers are to include a cover letter indicating the contact information for the entity proposing. Include, at a minimum:

- a. Key names, including title and position;
- b. Complete mailing address;
- c. Telephone and fax numbers (including office and cell numbers as appropriate);
- d. E-mail addresses, and any other information needed by City staff to contact proposers;
- e. Name of main point of contact; said point of contact will be the only recipient of all information related to this RFP and will function as the equivalent to the RAP's Contract Coordinator; and
- f. Include a statement that the proposing entity confirms its acknowledgement and acceptance of the terms and conditions set forth herein, without exceptions.

**2. Proposal Deposit**

All proposals must include a Two Thousand Dollar (\$2,000.00) Proposal Deposit in the form of a cashier's check only, payable to the City of Los Angeles. This amount shall be payable as a guarantee that the selected proposer(s) will enter into a Contract. The selected proposer shall have twenty (20) calendar days from the date the Contract is executed to review, sign and return to RAP.

The Proposal Deposit of the successful proposer will be released upon receipt of the required evidence of insurance and execution of the Contract. In the event that an award is made and the successful proposer fails to execute the Contract and to provide the required insurance policies, the Proposal Deposit of that proposer will be forfeited and retained by RAP.

The Proposal Deposits of unsuccessful proposers will be returned upon execution of Contracts with the awarded proposer(s). Proposal Deposits are maintained for all proposers in the event the successful proposer fails to execute the Contract and another proposer is considered for award. Please note that the execution of a Contract could take up to twelve (12) months to complete.

### 3. **Proposal Items**

Proposers are to submit complete, detailed responses to all of the Proposal Items in Section V of this RFP:

- Experience and Minimum Qualifications
- Proposed Services and Products
- Prices of Proposed Services and Products

### 4. **Level I - Compliance Documents**

This is a new RFP for a new contract. Previous compliance document submittals for other City projects and/or waivers do not apply. New forms must be completed and processed.

Additional information regarding some compliance documents may be available at the Pre-Proposal Conference, on a City website, and/or by phone with the administering Department of a given ordinance or compliance document. Exemptions from certain ordinances may also apply. RAP reserves the right to request additional information for clarification regarding submitted compliance documents during the evaluation process.

### **Contact with City Personnel**

Please direct all comments and questions to the Contract Coordinator. All contact regarding this RFP or any matter relating thereto must be in writing and may be mailed,

e-mailed, or faxed as follows:

Name: Robert Feld  
Address: Department of Recreation and Parks  
Contracts Administration  
221 North Figueroa Street, Suite 180, Los Angeles, CA 90012  
E-mail: robert.feld@lacity.org  
Fax: (213) 202-2614 (Cover Sheet required)

The purpose of the conference is to clarify the contents of this RFP and to discuss the talent agent / talent provider service needs of the Department. Attendance is mandatory. **It is highly recommended that prospective proposers read the complete RFP prior to the conference and begin preparation of their proposal in order to maximize the benefits of the conference.**

To further maximize the effectiveness of the conference, the Contract Coordinator requests that, to the extent possible, proposers provide questions in writing prior to the conference. This will enable the Contract Coordinator to prepare responses in advance. Specific questions concerning the RFP should be submitted in writing to the Contract Coordinator:

Department of Recreation and Parks  
Contracts Administration, Attn: Robert Feld  
221 North Figueroa Street, Suite 180  
Los Angeles, CA 90012

Additional questions may be accepted, in writing, at the conference. However, responses may be deferred and provided as addenda to the RFP at a later date. **Questions will be deemed late and may not be answered after TBD.**

All questions, without identifying the submitting company, will be compiled with the appropriate answers and issued as an addendum to the RFP. When submitting questions, please specify the RFP section number, paragraph number, and page number, and quote the passage that prompted the question. This will ensure that the passage can be quickly found in the RFP. The City reserves the right to group similar questions when providing answers.

If the City requirements or the specifications prevent proposers from submitting a proposal that would be beneficial to the City, please address the concern to the Contract Coordinator.

Questions may address concerns that the application of minimum requirements, evaluation criteria and/or business requirements would unfairly disadvantage proposers or, due to unclear instructions, may result in the City not receiving the best possible responses from proposers.

## STANDARD PROVISIONS FOR CITY CONTRACTS

### **PSC-1.** Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

### **PSC-2.** Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

### **PSC-3.** Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and

- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

**PSC-4. Integrated Contract**

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

**PSC-5. Amendment**

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

**PSC-6. Excusable Delays**

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

**PSC-7. Waiver**

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

**PSC-8. Suspension**

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

**PSC-9. Termination**

A. Termination for Convenience

**CITY** may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance

coverage and Contractor's obligation to suspend performance of services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
  - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
  - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
  - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
  - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly

abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
- 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
  - 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
  - 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

**PSC-10. Independent Contractor**

**CONTRACTOR** is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

**PSC-11. Contractor's Personnel**

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

**CONTRACTOR** shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors,

**CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

**PSC-12. Assignment and Delegation**

**CONTRACTOR** may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

**PSC-13. Permits**

**CONTRACTOR** and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

**PSC-14. Claims for Labor and Materials**

**CONTRACTOR** shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

**PSC-15. Current Los Angeles City Business Tax Registration Certificate Required**

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

**PSC-16. Retention of Records, Audit and Reports**

**CONTRACTOR** shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration

of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

#### **PSC-17. Bonds**

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

#### **PSC-18. Indemnification**

Except for the gross negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

#### **PSC-19. Intellectual Property Indemnification**

**CONTRACTOR**, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under

this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

**PSC-20. Intellectual Property Warranty**

**CONTRACTOR** represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

**PSC-21. Ownership and License**

Unless otherwise provided for herein, all finished and unfinished works, tangible or not, created under this Contract including, without limitation, documents, materials, data, reports, manuals, specifications, artwork, drawings, sketches, blueprints, studies, memoranda, computation sheets, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas, matters and combinations thereof, and all forms of intellectual property originated and prepared by **CONTRACTOR** or its Subcontractors under this Contract (each a "Work Product"; collectively "Work Products") shall be and remain the exclusive property of **CITY** for its use in any manner **CITY** deems appropriate. **CONTRACTOR** hereby assigns to **CITY** all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. **CONTRACTOR** further agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

**CONTRACTOR** agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

**CONTRACTOR** shall not provide or disclose any Work Product to any third party without prior written consent of **CITY**.

At **CITY'S** sole discretion, **CITY** and its authorized agents shall have the right to lead or participate in the investigation. **CONTRACTOR** shall cooperate fully with **CITY**, its agents and law enforcement.
- B. If **CITY** is subject to liability for any Data Breach or Security Incident, then **CONTRACTOR** shall fully indemnify and hold harmless **CITY** and defend against any resulting actions.

**PSC-23. Insurance**

During the term of this Contract and without limiting **CONTRACTOR'S** obligation to indemnify, hold harmless and defend **CITY**, **CONTRACTOR** shall provide and maintain at its own expense a program of insurance having the coverages and limits not less than the required amounts and types as determined by the Office of the City Administrative Officer of Los Angeles, Risk Management (template Form General 146 in Exhibit 1 hereto). Exhibit 1 is hereby incorporated by reference and made a part of this Contract.

**PSC-24. Best Terms**

Failure of **CONTRACTOR** to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment or Notices of Assignment, or the failure of any principal owner(s) of **CONTRACTOR** to comply with any Wage and Earnings Assignment or Notices of Assignment applicable to them personally, shall constitute a default by the **CONTRACTOR** under this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

## EXHIBIT 1

### INSTRUCTIONS AND INFORMATION ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker)

1. **Agreement/Reference** All evidence of insurance should identify the nature of your business with the **CITY**. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) as determined in writing by the CAO-RM.

2. **When to submit** Normally, no work may begin until a **CITY** insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

Submitting your documents. **Track4LA®** is the **CITY'S** online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as they submit client insurance certificates directly to the **CITY**. It uses the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance** in electronic format. Track4LA® advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **Track4LA®** at <http://track4la.lacity.org> and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Insurance industry certificates other than the ACORD 25 may be accepted, however *submissions other than through Track4LA® will significantly delay the insurance approval process as documents will have to be manually processed.* **CONTRACTOR must provide CITY** a thirty day notice of cancellation (ten days for non-payment of premium) AND an Additional Insured Endorsement naming the **CITY** an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the **CITY** is an automatic or blanket additional insured. An endorsement naming the **CITY** an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter. Completed **Insurance Industry Certificates other than ACORD 25 Certificates** are sent electronically to [CAO.insurance.bonds@lacity.org](mailto:CAO.insurance.bonds@lacity.org).

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance.

Verification of approved insurance and bonds may be obtained by checking **Track4LA®**, the **CITY'S** online insurance compliance system, at <http://track4la.lacity.org>.

4. **Renewal** When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through **Track4LA®** at <http://track4la.lacity.org>.

5. **Alternative Programs/Self-Insurance** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the **CITY** has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the Applicant's Declaration of Self Insurance form (<http://cao.lacity.org/risk/InsuranceForms.htm>) to the CAO-RM for consideration.

6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the **CITY** is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of **CITY** premises. Information on two **CITY** insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on **CITY** premises or streets, is available at ([www.2sparta.com](http://www.2sparta.com)), or by calling (800) 420-0555.

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on **CITY** premises; it is not required for simple commuting unless **CITY** is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement (<http://cao.lacity.org/risk/InsuranceForms.htm>). A **Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on **CITY** premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the **CITY**) any workers' compensation paid to an injured employee of the contractor.

10. **Property** insurance is required for persons having exclusive use of premises or equipment owned or controlled by the **CITY**. **Builder's Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle **CITY** funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the **CITY** required bid, performance and payment surety bonds, please see the City of Los Angeles Bond Assistance Program website address at <http://cao.lacity.org/risk/BondAssistanceProgram.pdf> or call (213) 258-3000 for more information.

12. **Cyber Liability & Privacy** coverage may be required to cover technology services or products for both liability and property losses that may result when a **CITY** contractor engages in various electronic activities, such as selling on the Internet or collecting data within its internal electronic network. **CONTRACTOR'S** policies shall cover liability for a data breach in which the **CITY** employees' and/or **CITY** customers' confidential or personal information, such as but not limited to, Social Security or credit card information are exposed or stolen by a hacker or other criminal who has gained access to the **CITY'S** or **CONTRACTOR'S** electronic network. The policies shall cover a variety of expenses associated with data breaches, including: notification costs, credit monitoring, costs to defend claims by state regulators, fines and penalties, and loss resulting from identity theft. The policies are required to cover liability arising from website media content, as well as property exposures from: (a) business interruption, (b) data loss/destruction, (c) computer fraud, (d) funds transfer loss, and (e) cyber extortion.

### CONTRACTOR RESPONSIBILITY ORDINANCE STATEMENT

The Contractor Responsibility Ordinance (CRO) requires a determination, via the CRO questionnaire, that prospective contractors are responsible and capable of fully performing the work before a contract is awarded by the City of Los Angeles. Additional information may be found at the following website:

[http://bca.lacity.org/index.cfm?nxt=soo&nxt\\_body=content\\_cro.cfm](http://bca.lacity.org/index.cfm?nxt=soo&nxt_body=content_cro.cfm)

#### **INSTRUCTIONS:**

The questionnaire must be completed, appropriately signed, and submitted with the proposal (Pages 1 through 9).

# CITY OF LOS ANGELES

## CONTRACTOR RESPONSIBILITY ORDINANCE (Los Angeles Administrative Code Section 10.40 et seq.)

### 1. What is the Contractor Responsibility Ordinance?

The Contractor Responsibility Ordinance (CRO) requires that each department make a determination as to whether prospective contractors are responsible and capable of fully performing the work before being awarded a City contract. The Ordinance also requires prospective contractors to complete a Responsibility Questionnaire that will be posted on the internet for 14 calendar days for public review.

### 2. When was the Ordinance adopted?

The City Council adopted the CRO on November 21, 2000. Regulations implementing the Ordinance were adopted on June 19, 2001.

### 3. Who is responsible for the administration and enforcement of the Ordinance?

Three (3) departments were named as administrative agencies responsible for the administration of the CRO. Each Designated Administrative Agency (DAA) administers the Ordinance for a specific type of agreement. The three DAA's, the type of agreement each DAA is responsible for, and contact information for each DAA is provided in the table below.

Administrative Agency	Agreement Type	Contact Information
Public Works, BCA	Service	Russ Strazella (213) 580-5012
Public Works, BCA	Construction	Russ Struzella (213) 580-5012
General Services	Procurement	Raymond Richards (213) 485-4591

### 4. Are all service, procurement, and construction agreements subject to the CRO?

Generally, an agreement, including one processed as an Authorization for Expenditure (AFE) with a Letter of Agreement, is covered by the CRO if it meets one of the definitions below.

Service agreements: Agreements covered under the general category of a "service agreement" include:

- An agreement for \$25,000.00 or more and for at least three months in which a contractor will provide services to or for the City.
- An agreement for a lease or license of City property if the service to be performed on the property is something that City employees could perform.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement for the grant of City financial assistance for \$100,000 or more if the agreement is for the purpose of economic development or job growth. City financial assistance may also include loans if certain conditions are met. (Refer to Sec. 10.40.0(b) of the CRO.)

Purchase agreements: Purchase agreements are covered if they are for One Hundred Thousand Dollars (\$100,000.00) or more. Agreements to purchase garments are covered if they are for Twenty-Five Thousand Dollars (\$25,000.00) or more.

Construction agreements: All construction agreements are covered, regardless of amount or term.

**5. When did the Ordinance become applicable?**

The Ordinance is being applied to Invitations for Bids (IFB) (including Requests for Proposals, Requests for Qualifications, "sole-sourced" contracts, and any other procurement process) released to the public **on or after September 4, 2001**. An agreement entered into as a result of an IFB released prior to that date is not subject to the CRO unless it is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above.

**6. If an IFB is subject to the CRO, what must a department do?**

The department must inform prospective bidders/proposers that the CRO is applicable to the IFB. The department must also include the appropriate Responsibility Questionnaire for bidders/proposers to fill out. Depending on the type of contract to be awarded, one of three Questionnaires may be included in the IFB: Service; Procurement; and Construction.

**7. What is a Responsibility Questionnaire?**

The Responsibility Questionnaire asks for information about the bidder/proposer: business organization or structure; financial resources and responsibility; performance history; prior disputes; and history in complying with laws. Before a department awards a contract, the department will consider information contained in the Questionnaire as part of the review of a bidder/proposer's responsibility, as well as any information contained in the Office of Contract Compliance's Contractor Evaluation database [<http://caodocs.ci.la.ca.us/ContEval/>] regarding the proposer's prior performance on City contracts.

**8. What must a bidder/proposer do when responding to an IFB?**

If the IFB is subject to the CRO, the bidder/proposer must complete the Responsibility Questionnaire and return it to the City department with the bid/proposal. If a bidder/proposer does not submit a completed Questionnaire with the bid/proposal, the City department may consider the bidder/proposer to be non-responsive to the IFB and may disqualify the bidder/proposer from the rest of the IFB process.

**9. Is a separate Questionnaire required for each IFB?**

Unless the IFB is exempt, a separate Questionnaire must be submitted for each IFB to which a bidder/proposer responds.

**10. What will the City do with the Questionnaire?**

The department responsible for awarding the agreement will review the information contained in the submitted questionnaires, and if necessary, follow up with the bidder/proposer to clarify any information contained in the Questionnaire. The awarding authority will send the completed Questionnaires to the appropriate DAA. The DAA will post the Questionnaires on the City's Bidder/Contractor Responsibility website: [www.lacity.org/bidresp](http://www.lacity.org/bidresp). This posting also applies to "sole-sourced" contracts, so the completed Questionnaire from a proposed "sole-sourced" contractor must be forwarded to the appropriate DAA for posting.

### **How long will the Questionnaires be posted?**

The Questionnaires will be posted on the internet for fourteen (14) calendar days. Unless an exemption applies, a department cannot award an agreement until the posting requirement has been met.

### **11. What happens during the fourteen (14) calendar-day posting period?**

The general public will be able to review the Questionnaires posted. If, during the fourteen (14) calendar-day posting period, the DAA receives information that calls into question a bidder/proposer's responsibility, the DAA will investigate the matter. In that case, no agreement may be awarded until the DAA finishes its investigation. Information obtained during the investigation will be provided to the department to consider in its determination of a bidder/proposer's responsibility.

### **12. How does a department know that the posting requirement has been met?**

The awarding department should complete the top portion of the Posting Verification Form and forward it to the DAA along with the Questionnaires. The DAA will complete the bottom portion of the Posting Verification Form and return it to the department when the posting requirement has been met.

### **13. Are contract amendments subject to the CRO?**

If an agreement is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above, it is subject to the CRO. Contractors do not have to submit a Questionnaire; however, the CRO Contract Language must be incorporated into the amended agreement.

### **14. After the agreement is awarded, or the agreement is amended, what does the CRO require the contractor to do?**

The CRO requires a contractor to:

- Comply with all federal, state, and local laws in the performance of the contract, including but not limited to laws regarding health and safety, labor and employment, wage and hours, and licensing laws, which affect employees.
- Notify the awarding authority within 30 calendar days after receiving notice that any governmental agency has started an investigation into violations of, or has found that the contractor has violated, any federal, state, or local law in the performance of the contract.
- When applicable, provide the awarding authority, within thirty (30) calendar days, updated responses to the Questionnaire if a change occurs that would affect the contractor's responsibility and ability to continue the agreement.
- Ensure that subcontractors working on the City agreement comply with all federal, state, and local laws in the performance of the agreement.
- Ensure that subcontractors working on the City agreement submit a Pledge of Compliance to comply with the CRO.

### **15. What happens if a contractor is found to be in violation of the Ordinance?**

The DAA will notify the contractor that a violation has been found and give the contractor ten (10) calendar days to correct the violation. If the contractor fails to do so, the City may terminate the agreement and pursue all available contractual remedies. The City may also hold a non-responsibility hearing and debar the contractor from doing business with the City for five (5) years.

### **What about subcontractors?**

Subcontractors are subject to the CRO, and the contractor must ensure that each of its subcontractors complies with the CRO. Subcontractors do not need to complete a Questionnaire, but they must submit to the awarding department a Pledge of Compliance with the Ordinance before they can start work on a City agreement.

### **16. What if a subcontractor is found to be in violation of the Ordinance?**

Because the prime contractor is responsible for ensuring that all its subcontractors comply with the CRO, the sanctions listed in the answer to Question #16 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

### **17. Are there any exemptions under the Ordinance?**

Generally, two (2) categories of exemptions exist under the CRO:

(1) Agreements exempt from all the CRO requirements:

- Contracts with a governmental entity such as the United States of America, the State of California, a county, city or public agency of such entities, or a public or quasi-public corporation located therein and declared by law to have such status.
- Contracts for the investment of trust moneys or agreements relating to the management of trust assets.
- Banking contracts entered into by the Treasurer pursuant to California Government Code Section 53630 et seq.

(2) Agreements that are only exempt from the requirement that a bidder/proposer submit a Questionnaire. The contractor must still comply with all other CRO provisions.

- Agreements awarded on the basis of emergency circumstances when the awarding authority finds that the City would suffer a financial loss or that City operations would be adversely impacted. This exemption is subject to approval by the DAA.
- Agreements for goods or services that are proprietary or available from only one source. This exemption is subject to approval by the DAA.
- Agreements awarded under the authority of Charter Sections 371(e)(5), (6), (7) or (8). The awarding authority must certify in writing that the contract is entered into in compliance with the requirements of those Charter sections.

### **18. Where can I obtain a copy of the Contractor Responsibility Ordinance and the Rules and Regulations?**

All CRO-related information and documents can be found on the CRO website: <http://www.lacity.org/bidresp>.

# CITY OF LOS ANGELES

## LIVING WAGE ORDINANCE

### (Los Angeles Administrative Code Section 10.37 et seq.)

#### 1. What is the Living Wage Ordinance?

The Living Wage Ordinance (LWO) requires employers who have agreements with the City to pay their employees at least a minimum “living wage” and to provide certain benefits. If the agreement is subject to the LWO, the employer must do the following:

- Pay employees working on the subject agreement a wage rate that is at least equal to the “living wage” rate. The “living wage” is adjusted annually and becomes effective July 1 of each year. Employers can obtain information about the living wage rate currently in effect by going to Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC) website at [www.lacity.org/bca/OCCmain.html](http://www.lacity.org/bca/OCCmain.html).
- Provide employees with at least twelve (12) paid days off per year for sick leave, vacation, or personal necessity; and at least ten (10) unpaid sick days off per year.
- Tell employees who make less than Twelve Dollars (\$12.00) per hour that they may qualify for the federal Earned Income Tax Credit and provide them with the forms required to apply for the credit.
- Cooperate with the City by providing access to the work site and to payroll and related documents so that the City can determine if the employer is complying with the LWO.
- Pledge to comply with federal laws prohibiting an employer from retaliating against employees for union organizing.
- Not retaliate against any employee who makes claims about non-compliance with the LWO.

#### 2. When was the Ordinance adopted?

The LWO was adopted in May, 1997 and amended in January, 1999.

#### 3. What types of agreements are subject to the Ordinance?

Generally, the LWO covers the following types of agreements:

- An agreement in an amount over Twenty-Five Thousand Dollars (\$25,000.00) and for at least three (3) months in which an employer will provide services to or for the City.
- An agreement for the lease or license of City property if the service being performed on the property is something that City employees would otherwise do.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement in which the City gives financial assistance for the purpose of promoting economic development or job growth.
- An agreement in which the City determines that applying the LWO would be in the best interest of the City.

**4. Is an agreement subject to the LWO if it was entered into before May, 1997?**

Agreements executed after May, 1997 are subject to the LWO. An agreement entered into before May 1997 may become subject to LWO if it is later amended or modified in order to add time or money to the original agreement.

**5. Are there any requirements that would apply to an employer who does not have an agreement with City that is subject to the LWO?**

All employers are required to comply with the LWO's prohibition against retaliation, even if the employer does not have an agreement with the City that is subject to the Ordinance.

**6. Are all employees covered by the Ordinance?**

Intentionally left blank 8/18/06

**7. Are an employer's subcontractors subject to the requirements of the Ordinance?**

A subcontractor may be covered by the Ordinance if the subcontractor performs work on the subject agreement. If so, the subcontractor must also comply with the requirements of the LWO, including all reporting requirements. The prime contractor is responsible for the making sure that the subcontractor complies with the LWO.

**8. What happens if an employer is found to be in violation of the Ordinance?**

Payments due may be withheld. Also, the employer may be deemed to be in material breach of the agreement. When that happens, the City may take the following steps:

- Terminate the agreement and pursue all available contractual remedies.
- Debar the employer from doing business with the City for three (3) years or until all penalties and restitution have been fully paid, whichever occurs last.
- Bring a lawsuit against the employer for all unpaid wages and health benefit premiums and/or seek a fine of up to One Hundred Dollars (\$100.00) for each day the violation remains uncorrected.

**9. What if a subcontractor is found to be in violation of the Ordinance?**

Because the prime contractor is responsible for making sure that all its subcontractors comply with the LWO, the sanctions listed in answer #8 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

**10. What can an employee do if an employer is in violation of the Ordinance?**

The employee can submit a complaint to the Office Contract Compliance which will investigate the complaint. Also, the employee can bring his or her own lawsuit against the employer for:

- Back pay for failing to pay the correct wages or correct health benefit premiums.
- Reinstatement and back pay for retaliation.
- Triple the amount of the back pay that is owed if the violation was found by the court to be willful.

**11. Are there any exemptions available under the Ordinance?**

An employer may apply for an exemption based on the following categories:

- Service agreements that are less than three (3) months or Twenty-Five Thousand Dollars (\$25,000.00) or less.
- Agreements for the purchase of goods, property, or the leasing of property (with City as the lessee).
- Construction contracts that do not meet the definition of a service agreement.
- Employees who are required to have an occupational license in order to provide services to or for the City are exempt.
- Employers who are party to a collective bargaining agreement (CBA) that has language stating that the CBA shall supersede the LWO.
- Financial assistance recipients who meet the requirements stated in Section 10.37.1(c) of the LWO.
- Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code, Section 501(c)(3) whose chief executive officer's hourly wage rate is less than eight times the hourly wage rate of the lowest paid worker are be exempt. However, this exemption does not apply to child care workers.
- Lessees or licensees who have no more than a total of seven employees and who have annual gross revenue of less than Four Hundred Fifty-Four Thousand Sixteen Dollars (\$454,016.00) (effective July 1, 2009). The qualifying annual gross revenue is adjusted every July.
- One-person contractors, lessees, licensees or financial assistance recipients who employ no workers.
- Agreements that involve other governmental entities.

**12. Who is responsible for the administration and enforcement of the Ordinance?**

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway Street, Suite 300, Los Angeles, CA 90015. For additional information, please call (213) 847-2625, or go to the Office of Contract Compliance website at <http://bca.lacity.org>.

## LIVING WAGE ORDINANCE STATUTORY EXEMPTIONS

Living Wage Ordinance (LWO) statutory exemptions are now divided into the following three categories:

1. Exemptions that do not require approval from the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC).
2. Exemptions that do not require OCC approval but require a Contractor Certification of Exemption.
3. Exemptions that require submission of an Application for Exemption and OCC approval of the Application.

1. **The following exemptions do not require OCC approval or any Contractor Certification:** Departments only need to indicate the exemption in the appropriate category on the LWO Departmental Determination of Coverage Form.

- a. **Less than three (3) months OR less than Twenty-Five Thousand Dollars (\$25,000.00) (LAAC 10.37.1(j)).** Service contracts or Authority for Expenditures that do not meet these thresholds are not covered by the LWO.
- b. **Other governmental entities (LAAC 10.37.1(g)).** Agreements with other governmental entities such as Los Angeles County, the State of California, or the University of California, are not covered by the LWO. Subcontractors to these entities are also not covered by the LWO.
- c. **Purchase of goods, property, or the leasing of property, with the City as lessee (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO unless they include a service component that is more than just incidental (regular and recurring services is required). Examples of such categorically exempt contracts include contracts to purchase office supplies or to lease space to be occupied by City departments.
- d. **Construction contracts, not conforming to the definition of a service contract (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO. Examples include construction of buildings and infrastructure.
- e. **City financial assistance not meeting thresholds (LAAC 10.37.1(c)).** Agreements to provide a contractor with City financial assistance (which typically mean grants or loans provided at interest rates that are lower than the Applicable Federal Rate) are categorically exempt from the LWO if they meet both of the following:
  - (1) The assistance given in a twelve (12) month period is below One Million Dollars (\$1,000,000.00) AND less than One Hundred Thousand Dollars (\$100,000.00) per year.
  - (2) The assistance is not for economic development or job growth.
- f. **Business Improvement Districts (BID) (LWO Regulation #11).** Service agreements are categorically exempt from the LWO if the services are funded with the BID's assessment money collected by the City after the formation of the BID. Service contracts in which City money is used to hire firms to help in forming the BID remain subject to the LWO unless the contractor otherwise qualifies for an exemption.

2. **The following exemption categories do not require OCC approval, but the contractor must still submit a Contractor Certification of Exemption from Living Wage (OCC/LW-13).** No OCC approval is required for the exemption to be valid. However, the department must include the Contractor Certification of Exemption with the contract.

- a. **501(c)(3) Non-profit organizations (LAAC 10.37.1(g)):** Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code Section 501(c)(3) are exempt from the LWO if the hourly wage rate of the corporation's highest paid employee is less than eight times the hourly wage rate of the corporation's lowest paid worker. However, the exemption does not extend to Child Care Workers as defined in the LWO Rules and Regulations (an employee "whose work on an agreement involves the care or supervision of children twelve (12) years of age and under."). A copy of the IRS 501(c)(3) Exemption Letter will be required.

Form OCC/LW-10 (Rev. 6/09)

- b. **One-person contractors with no employees (LAAC 10.37.1(f)):** Contractors, lessees, licensees or financial assistance recipients who employ no workers are exempt from the LWO.

3. **The following exemption categories require submission of an application for exemption and OCC approval of the application to be valid.**
- a. **Collective bargaining agreements (CBA) that supersede the LWO (LAAC 10.37.12):** Contractors whose employees are covered by a CBA that supersedes the requirements of the LWO are not subject to the LWO. A copy of the CBA with the superseding language or a letter from the union indicating that the union has agreed to allow the CBA to supersede the LWO will be required to be submitted. Example: Labor agreement between parking contractor and a labor union with language that wages and benefits in the CBA shall supersede the LWO. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a copy of the CBA or a letter from the union.
  - b. **Occupational license (LAAC 10.37.1(f)):** Employees required to possess an occupational license in order to provide the services under the City agreement are not subject to the LWO. However, only the individual employees who are required to possess an occupational license are exempt. Employees who work on the City contract and are not required to possess an occupational license remain subject to the LWO. Example: Under California Labor Code Sections 7375 – 7380, a person must be licensed by the State of California in order to inspect and certify cranes and derricks used in lifting services. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a listing of the employees who possess occupational licenses and a copy of the licenses.
  - c. **Small business exemptions for Public Lessees/Licensees (LAAC 10.37.1(i)):** Small business that lease property from the City may apply for OCC approval for LWO exemption if the lessee or licensee:  
(1) employs no more than a total of seven (7) employees; and (2) has annual gross revenues of less than Four Hundred Fifty-Four Thousand Sixteen Dollars (\$454,016.00) (adjusted July 1, 2009). This applies only to lessees with lease agreements executed after February 24, 2001, and to amendments executed after February 24, 2001 that add monies or extend term. Use the Application for “Small Business” Exemption (Form OCC/LW-20) and submit the application with the documents requested on that form.
  - d. **City financial assistance agreements that exceed the LWO monetary thresholds may apply for one of the exemptions below.** Applicants and departments should refer to Regulation #3(c) for the requirements and the documents that must be submitted with the LWO Application for Non-Coverage or Exemption (OCC/LW-10).
    - (1) The City financial assistance recipient (CFAR) is in its first year of operation (LAAC 10.37.1(c)).
    - (2) The CFAR employs fewer than five employees (LAAC 10.37.1(c)).
    - (3) The CFAR would face undue hardship because it employs the long-term unemployed or provides trainee positions to prepare employees for permanent positions (LAAC 10.37.1(c)). REQUIRES COUNCIL APPROVAL.

**(Los Angeles Administrative Code Section 10.36 et seq.)**

**1. What is the Service Contractor Worker Retention Ordinance?**

The Service Contractor Worker Retention Ordinance (SCWRO), effective May, 1996, requires a successor contractor and its subcontractors to retain for a 90-day period certain employees who worked for the terminated contractor or its subcontractors for at least twelve (12) months. (See also Question #7 regarding which employees are covered.)

**2. What is a successor contractor?**

A successor contractor is one who has been awarded an agreement to provide services to or for the City that are similar to those that were provided under a recently terminated agreement.

**3. What types of agreements are covered by the Ordinance?**

The SCWRO covers the following types of agreements:

- For services in an amount over Twenty-Five Thousand Dollars (\$25,000.00) and for at least three (3) months.
- In which the primary purpose is to provide services to or for the City (including leases and licenses).
- In which the City provides financial assistance for the purpose of promoting economic development or job growth.

**4. What does the Ordinance require a terminated contractor to do?**

The SCWRO requires the terminated contractor to provide the awarding authority with the names, addresses, dates of hire, hourly wage, and job classes of each employee who worked on the City agreement for that terminated contractor or its subcontractor. The awarding authority will provide the information to the successor contractor.

**5. What does the Ordinance require a successor contractor to do?**

The Ordinance requires the successor contractor to:

- Offer employment and retain for a ninety (90)-day period the employees who worked for at least twelve (12) months for the terminated contractor or its subcontractors.
- Not discharge the employees retained under the SCWRO without cause during the ninety (90) - day period.
- Perform a written performance evaluation of each employee retained under the SCWRO at the end of the ninety (90)-day period.

**6. Do the employees retained under the Ordinance receive any additional protection?**

Employees retained under the SCWRO are employed under the terms and conditions of the successor contractor or as required by law. However, if the agreement the employees are working under is subject to Living Wage Ordinance (LWO), the employees must be paid the wage rate and be provided the benefits required by LWO.

**7. Does the successor contractor have to retain all the prior contractor's employees?**

The SCWRO covers only employees who meet all of the following requirements:

- Earn less than Fifteen Dollars (\$15.00) per hour.
- Primary job is in the City working on or under the City agreement.
- Worked for the terminated contractor or its subcontractor for the preceding twelve (12) months or longer.
- Not a managerial, supervisory, or confidential employee; or an employee required to possess an occupational license.

**8. What if the successor contractor determines that fewer employees are required to provide the services than were required by the prior contractor?**

The names of the affected employees will be placed in order by seniority within each job classification. The successor contractor is required to retain employees based on seniority. The names of employees not retained will be placed on a preferential hiring list from which the successor contractor must use for subsequent hires.

**9. What happens if an employee is discharged in violation of the Ordinance?**

The employee may bring a lawsuit against the successor contractor. The employee can also submit a complaint to the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance which will investigate the complaint.

**10. What if a contractor is found to be in violation of the Ordinance?**

The City may terminate the agreement or pursue other legal remedies.

**11. Who is responsible for administering and enforcing the Ordinance?**

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway St., Suite 300, Los Angeles, CA 90015. For additional information, please call (213) 847-2625, or go to the Office of Contract Compliance web site at <http://bca.lacity.org>.

**DEPARTMENT OF PUBLIC WORKS' POLICY  
BUSINESS INCLUSION PROGRAM FOR A REQUEST FOR QUALIFICATIONS (RFQ)**

**SUMMARY**

This policy sets forth the Department of Public Works' rules and procedures to be followed by respondents on advertised personal services contracts in regards to the City's BIP outreach requirements. In general, this policy provides that respondents for contracts must demonstrate compliance with the indicators relating to an active outreach program to obtain participation by MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs. Failure to demonstrate outreach on the BAVN to comply with the indicators will render the response submission non-responsive.

This BIP is set forth in this policy Statement. Respondents to this department shall be fully informed concerning the requirements of this Program. **Failure to comply with the City's BIP outreach requirements will render the response non-responsive and result in its rejection.**

Additional information and/or assistance in implementing this program may be obtained through the Office of Contract Compliance, Bureau of Contract Administration by e-mail at [bca.biphelp@lacity.org](mailto:bca.biphelp@lacity.org).

Minority, women, small, emerging, disabled veteran owned and controlled businesses must be considered along with other business enterprises whenever possible as sources of subconsulting services. Affirmative steps for BIP Outreach documentation are outlined in Paragraph C herein. The BIP Outreach documentation must be submitted as described in Paragraph C herein. Failure to submit the BIP Outreach documentation will render the response non-responsive.
10. Subcontract: For the purpose of this program, the term "Subcontract" denotes an agreement between the prime Consultant and an individual, firm or corporation for the performance of a particular portion of the work which the prime Consultant has obligated itself.
11. For the purposes of this Program, a subconsultant may also be referred to as a subcontractor.
12. Vendor and/or supplier: A firm that owns, operates or maintains a store, warehouse, or other establishment in which the materials or supplies required for the performance of the contract are bought, kept in stock, and regularly sold to the public in the usual course of business. The firm must engage in, as its principal business, and its own name, the purchase and sale of the products in question. 13. Manufacturer: A firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the contractor.

  - a. All listed MBE, WBE, SBE, EBE, and/or DVBE firms must be certified as defined under Paragraph B, Definitions, Item 4, on the date the task work order for the project is assigned before credit may be allowed toward the respective MBE, WBE, SBE, EBE, and/or DVBE pledged participation level.

- b. Work performed by a MBE, WBE, SBE, EBE, and/or DVBE prime consultant will not be considered when determining a prime consultant's BIP Outreach. The prime consultant will be required to make a BIP Outreach to obtain reasonable anticipated MBE, WBE, SBE, EBE, and/or DVBE participation levels through subconsulting or materials and supplies acquisition.
- c. Recognition for materials and/or supplies is limited to sixty percent (60%) of the amount to be paid to the vendor for such materials/supplies in computing the pledged levels of MBE, WBE, SBE, EBE, and/or DVBE participation, unless the vendor manufactures or substantially alters the materials/supplies.
- d. MBE, WBE, SBE, EBE, and/or DVBE credit for brokers required for performance of the contract is limited to the reasonable fee or commission charged, as not considered excessive, as compared with fees customarily allowed for similar services.

- f. A listed MBE, WBE, SBE, EBE, and/or DVBE firm must be potentially available to perform a commercially useful function, i.e., must be potentially responsible for the execution of a distinct element of the work and potentially available to carry out its responsibility by performing, managing and supervising the work.
- g. MBE/WBE credit shall not be given to a Joint Venture partner listed as a subconsultant by a Joint Venture respondent.
- h. A SBE, EBE, DVBE prime consultant shall receive pledged participation credit for the work performed by its own workforce.

**C. BIP OUTREACH DOCUMENTATION**

It is the policy of the City of Los Angeles to provide Minority Business Enterprises (MBEs), Women Business Enterprises (WBEs), Small Business Enterprises (SBEs), Emerging Business Enterprises (EBEs), Disabled Veteran Business Enterprises (DVBEs), and all Other Business Enterprises (OBEs) an equal opportunity to participate in the performance of City contracts. In order to maximize this participation while minimizing the administrative impact on City staff and RFQ respondents alike, the Mayor's Office has developed a BIP. The BIP requires City departments to set anticipated participation levels based on the opportunities presented in their advertised contracts and Department's achievement of its annual goals. A respondent's BIP Outreach to MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs shall be determined by their compliance with the following BIP Outreach process which will be performed on the City's Business Assistance Virtual Network (BAVN). The BAVN can be accessed by going to the City's Webpage ([www.lacity.org](http://www.lacity.org)) and linking onto "Bids, RFPs & Grants" or directly at [www.labavn.org](http://www.labavn.org). Failure to meet the anticipated MBE, WBE, SBE, EBE, and/or DVBE participation levels will not by itself be the basis for disqualification or determination of non-compliance with this policy. **However, failure to comply with the BIP Outreach documentation requirements as described in this section will render the RFO response non-responsive and will result in its rejection.** *Compliance with the BIP Outreach requirements is required even if the proposer has achieved the anticipated MBE, WBE, SBE, EBE, and DVBE participation levels.* Adequacy of a respondent's BIP Outreach will be determined by the Board after consideration of the indicators of BIP Outreach as set forth below.

Any technical difficulties while utilizing the BAVN should be reported immediately using the following steps:

1. Email BAVN Support at [ITA.BAVN@lacity.org](mailto:ITA.BAVN@lacity.org).
2. Email Bureau of Contract Administration, Subcontractor Outreach and Enforcement Section (SOE) at [bca.biphelp@lacity.org](mailto:bca.biphelp@lacity.org).
3. If you are not contacted within fifteen (15) minutes during normal City working hours (7:00 a.m. to 4:30 p.m. Monday-Friday), call (213) 847-2605 and ask for an SOE Analyst to assist you.

If the above procedures are not followed as stipulated, incomplete outreach and/or incomplete documentation may not be accepted.

***Each indicator (2-7) is evaluated on a pass/fail basis. All indicators (2-7) must be passed to be deemed responsive. Only BIP Outreach documentation submitted under the respondent's name will be evaluated. Therefore submission by a third party will result in the respondent being deemed non-responsive.***

1	<b>LEVEL OF ANTICIPATED MBE, WBE, SBE, EBE, and DVBE PARTICIPATION</b>
---	--

The respondent has performed a BIP Outreach in an attempt to obtain potential subconsultant participation by MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs which could be expected by the Board to produce a reasonable level of participation by interested business enterprises, including the MBE, WBE, SBE, EBE, and DVBE anticipated percentages set forth on Page 1 herein and to have the respondent meet the subconsulting expectations for the project.

2	<b>ATTENDED PRE-SUBMITTAL MEETING</b>
---	---------------------------------------

The respondent attended the pre-submittal meeting scheduled by the Project Manager to inform all respondents of the requirements for the project for which the contract will be awarded. This requirement may be waived if the respondent certifies it is informed as to those project requirements and has participated in a City-sponsored or City-approved matchmaking event in the prior twelve (12) months.

***Required Documentation:*** An employee of the respondent's company must attend the pre-submittal meeting scheduled for this project. Credit may not be given if the employee arrives late or fails to sign the pre-submittal meeting attendance roster. This requirement will be waived if the respondent both certifies in writing that it is informed as to the BIP Outreach requirements for the project and has participated in a City-sponsored or City-approved matchmaking event in the prior twelve (12) months as is evidenced by the event attendance documents.

**Note:** If the RFQ states that the pre-submittal meeting is mandatory, then attendance at the pre-submittal meeting is the only way to pass this indicator.

3	<b>SUFFICIENT WORK IDENTIFIED FOR SUBCONSULTANTS</b>
---	--

The respondent has identified the minimum number, as determined by the Department, of specific items of work that will be performed by subconsultants. This will ensure an opportunity for subconsultant participation among MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs.

***Required Documentation:*** Outreach via e-mail in the selected potential work items. This outreach must be performed using the BAVN's BIP Outreach system. The outreach must be to potential MBE, WBE, SBE, EBE,

DVBE, and OBE subconsultants who are currently registered on the BAVN. Failure of the respondent to outreach in all of the potential work items selected by the City as potential subconsulting work items may result in the RFQ response being deemed non-responsive.

**Note:** City staff will access the BAVN and verify compliance with this indicator after the RFQ submission deadline.

4	<b>WRITTEN NOTICES TO SUBCONSULTANTS</b>
---	--

All notifications must be provided utilizing BAVN, and made not less than **fifteen (15) calendar days** prior to the date the RFQ responses are required to be submitted. In all instances, respondents must document that invitations for subconsulting bids were sent to available MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs for each item of work to be performed.

**Required Documentation:** E-mail notification in each of the selected potential work items to potentially available MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs for each anticipated work item to be performed. The notification must be performed using the BAVN’s BIP Outreach system. The notification must be to potential subconsultants currently registered on the BAVN. If the respondent is aware of a potential subconsultant that is not currently registered on the BAVN, it is the respondent’s responsibility to encourage the potential subconsultant to become registered so that the respondent can include them as part of their outreach. Notifications must contain areas of work anticipated to be subconsulted, City of Los Angeles project name, name of the respondent, and contact person’s name, address, and telephone number. Respondents are required to send notifications to a sufficient number of firms comprised of MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs in each potential work item chosen, as determined by the City. What is considered sufficient will be determined by the total number of potential subconsultants in each specific work item.

The City will determine each work area by the North American Industry Classification System (NAICS) code. The following table shows the sufficient number of MBE, WBE, SBE, EBE, DVBE, and OBE subconsultants that need to be notified for each work area.

# of Subconsultants in NAICS Code	% Prime Must Notify	Number Prime Must Notify
1 – 10	100%	1-10
11 – 20	80%	9-16
21 – 50	60%	13-30
51 – 100	40%	21-40
101 – 200	25%	26-50
> 200	10%	20+

A respondent’s failure to utilize this notification function will result in their RFQ response being deemed non-responsive.

**Note:** Respondents will not be able to utilize the BAVN’s BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFQ response submittal deadline. In utilizing the BAVN’s notification function, respondents will receive a message if they have failed to outreach to a sufficient number of firms when they go to view their summary sheet. Respondents will be given an opportunity to include their own customized statements when utilizing the notification function. However, the City will take into consideration the wording and may deem a respondent non-responsive if the wording is perceived to seriously limit potential subconsultant responses. City staff will access the BAVN and verify compliance with this indicator after the RFQ submission deadline. Respondents are encouraged to print their BIP Outreach summary sheet prior to logging out as documented proof of their progress.

5	PLANS, SPECIFICATIONS AND REQUIREMENTS
---	--

The respondent provided interested potential subconsultants with information about the availability of project scope, services requested, and other requirements for the anticipated subconsulting work.

**Required Documentation:** Include in Indicator 4, information detailing how, where and when the respondent will make the required information available to interested potential subconsultants. The notification must be performed using the BAVN's BIP Outreach system.

**Note:** For purposes of RFQs, making a copy of the RFQ available to potential subconsultants will meet this requirement. At the time a respondent utilizes the BAVN's BIP Outreach notification function, the required information will automatically be included in the notification. Respondents will not be able to utilize the BAVN's Outreach notification function if there are less than fifteen (15) calendar days prior to the RFQ response submittal deadline. City staff will access the BAVN and verify compliance with this indicator after the RFQ submission deadline.

6	NEGOTIATED IN GOOD FAITH
---	--------------------------

The respondent has responded to every unsolicited offer sent by a registered subconsultant using BAVN and has evaluated in good faith bids or proposals submitted by interested potential MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs. Respondents must not unjustifiably reject as unsatisfactory a bid or proposal offered by a registered subconsultant, as determined by the Board. The respondent must submit a list of all subconsultants for each item of work, including dollar amounts of bids or proposals received. This list must include an explanation of the evaluation that lead to the bid or proposal being rejected and the explanation must have been communicated to the subconsultant using BAVN.

**Required Documentation:**

- a) Schedule A List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants;
- b) An online Summary Sheet organized by work area, listing the following:
  - 1) the responses and/or bids received;
  - 2) the name of the subconsultant who submitted the bid/quote;
  - 3) a brief reason given for selection/non-selection as a subconsultant;
- c) Copies of all potential MBE/WBE/SBE/EBE/DVBE/OBE bids or quotes received must be submitted prior to award of a contract by the City;

The reasons for selection/non-selection should be included in the notes section of the online Summary Sheet. If the respondent elects to perform a listed work area with its own forces, they must include a bid/quote for comparison purposes and an explanation must be provided and included on the summary sheet. **All bids/quotes received, regardless of whether or not the respondent outreached to the subconsultant, must be submitted and included on the online Summary Sheet.** To that extent, the City expects the respondent to submit a bid from each subconsultant listed on the online Summary Sheet, including those listed on the respondent's Schedule A. **All potential subconsultants with whom the respondent has had contact outside of the BAVN must be documented on the online Summary Sheet.**

The Summary Sheet must be performed using the BAVN's BIP Outreach system and must be submitted by 4:30 p.m. on the first calendar day following the day of the RFQ response submittal deadline.

If a bid/quote is submitted by a firm that is not registered with the BAVN, the respondent is required to add that firm to their Summary Sheet. A respondent's failure to utilize the BAVN's Summary Sheet function will result in their RFQ response being deemed non-responsive.

**Note:** For the purposes of this RFQ only, letters of intent acknowledging a potential subconsultant's interest in being contacted for work and/or hourly rates for their type of work will be considered the "bids or quotes received." Staff will request copies of all of the bids/quotes received as part of the BIP Outreach evaluation process. Respondents must have a bid/quote from each potential subconsultant listed on their Schedule A prior to submission of the Schedule A. The submission of the Schedule A is outlined in G herein. Respondents are encouraged to submit all of their bids/quotes with their RFQ response submittal. Respondents will not be able to edit their Summary Sheet on the BAVN's BIP Outreach Summary Sheet function after 4:30 p.m. on the first calendar day following the day of the RFQ response submittal deadline. City staff will access the BAVN and verify compliance with the summary sheet provision of this indicator after the RFQ submission deadline. Respondents are required to have each of the subconsultants on their Schedule A registered on the BAVN prior to being awarded the contract.

7	<b>BOND, LINES OF CREDIT, AND INSURANCE ASSISTANCE</b>
---	--

Each notification by the respondent shall also include an offer of assistance to interested potential MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs in obtaining bonds, lines of credit, or insurance required by the Awarding Authority or proposer.

**Required Documentation:** Include in Indicator 4, information about the respondent's efforts to assist with bonds, lines of credit and insurance. The notification must be performed using the BAVN's BIP Outreach system.

**Note:** At the time a respondent utilizes the BAVN's BIP Outreach notification function, the required information will automatically be included in the notification. Respondents will not be able to utilize the BAVN's BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFQ response submittal deadline. Respondents will be given an opportunity to include their own customized statements when utilizing the notification function. However, the City will take into consideration the wording and may deem a respondent non-responsive if the wording seriously limits potential subconsultant responses or is deemed contrary to the intent of this indicator. City staff will access the BAVN and verify compliance with this indicator after the RFQ submission deadline.

The respondent shall submit completed BIP Outreach documentation either via the BAVN's BIP Outreach system or prior to award, as specified for each indicator. The Board in its review of the BIP Outreach documentation may request additional information to validate and/or clarify that the BIP Outreach submission was adequate. Any additional information submitted after the response due date and time will be treated at a higher level of scrutiny and may require third party documentation in order to substantiate its authenticity. Such information shall be submitted promptly upon request by the Board.

**D. AWARD OF CONTRACT**

The Board reserves the right to reject any and all RFQ responses. The award of a contract will be to the responsive, responsible Respondent whose submittal complies with all requirements prescribed herein. This includes compliance with the required BIP Outreach. A positive and adequate demonstration to the satisfaction of the Board that a BIP Outreach to include potential MBE/WBE/SBE/EBE/DVBE/OBE subconsultants' participation was made is a condition for eligibility for award of the contract.

In the event that the Board considers awarding away from a respondent because of the respondent's failure to supply adequate BIP Outreach documentation, the Board shall afford the respondent an opportunity to present further evidence to the Board prior to a public hearing of the respondent's BIP Outreach evaluation.

**E. SUBCONSULTANT SUBSTITUTION**

In addition to the requirements set forth in the provisions pertaining to the listing of potential subconsultants, the following shall apply for the purpose of this Program:

1. Substitution During Contract Duration: The contract award requires that the level of all subconsultant participation shall be maintained throughout the duration of the contract. To this extent, any unapproved reduction in the listed subcontract amount will be considered an unauthorized substitution.
  - a. The Consultant shall request approval of the Board for all substitutions of bid-listed (Schedule B) subconsultants.
  - b. The request shall be in writing and submitted to the designated Project Manager for the Board. The request shall give the reason for the substitution, the name of the subconsultant and the name of the replacement.
2. MBE/WBE/SBE/EBE/DVBE/OBE Subconsultant Substitution: The Board requires that whenever the Consultant seeks to substitute a bid-listed (Schedule B) subconsultant, the Consultant must make a BIP Outreach to replace the subconsultant.
  - a. The Consultant shall contact some of each of the following: certified MBE, certified WBE, certified SBE, certified EBE, certified DVBE, and OBE sub-bid prospects from each trade (see Schedule A) for which sub-bid/subconsulting work is available and document the following for submittal:
    1. Name of company contacted; contact person and telephone number; date and time of contact.
    2. Response for each item of work which was solicited, including dollar amounts.
    3. Reason for selection or rejection of sub-bid prospect.
    4. This policy acknowledges the importance of quality, affordable, accessible child care to the individual, family, work place and community. The City further recognizes that existing child care services and facilities are not adequate to meet current demand, and that such demand is increasing. Failure to address this critical unmet need will have serious, detrimental effects on the physical, social and economic life of Los Angeles. Thus, the City Child Care Policy was adopted, committing the City to use its resources as educator, employer, model and facilitator to act as a catalyst in expanding the supply of quality, affordable child care in Los Angeles.

The City Child Care Policy includes an item specifically designed to address the development and implementation of child care policies and practices by vendors, as follows:

THE CITY OF LOS ANGELES SHALL ENCOURAGE ALL ITS VENDORS TO ADOPT A STATED POLICY ON CHILD CARE. TO THE EXTENT PERMITTED BY LAW, VENDORS WITH STATED CHILD CARE POLICIES SHALL RECEIVE PREFERENCE IN CONTRACTING WITH THE CITY OF LOS ANGELES.

It is the goal of the City to promote and facilitate the establishment and implementation of child care policies and practices which address the critical unmet local need for quality, affordable child care services.

A company may, after a review and due consideration, determine that child care is not an employee need or that a child benefit/service cannot feasibly be offered by the company. In this case, a written policy statement to this effect would also qualify a company for the vendor preference.

- II. Request Child Care Policy Information from Vendors – All vendor applicants should complete the “Child Care Declaration Statement” form, declaring whether the business has a stated child care policy and/or offers any form of child care assistance to employees. Those vendors indicating they have a stated child care policy for employees should file a copy of said policy along with the “Declaration Form”.
- III. Definition of a Stated Child Care Policy – A “Stated Child Care Policy” is a written statement of intent and/or attitude by an employer regarding the provision of child care assistance to employees.
- IV. Definitions of Child Care Assistance – The following definitions apply to the various forms of child care assistance listed on the “Child Care Declaration Statement.”

- C. **CHILD CARE REIMBURSEMENT IN ADDITION TO OTHER BENEFITS** Employer helps employees pay for child care expenses by reimbursing the employee or his/her care provider for all or part of the cost of child care; allows employee to select the child care provider, or employer may designate providers or conditions (e.g. only reimburse licensed providers); such reimbursement is provided to the employee in addition to the other employee benefits.

## ENDNOTES FOR LWO SUBCONTRACTOR INFORMATION FORM

- <sup>1</sup> **Non-Profit 501(c)(3) Organizations:** A corporation claiming exemption under Section 10.37.1(g) of the LWO as a corporation organized under Section 501 (c)(3) of the United States Internal Revenue Code must provide the following additional documents in support of the application for exemption:
- (A) A copy of the most recent IRS letter indicating that the contractor has been recognized as a non-profit corporation organized under section 501 (c)(3) of the United States Internal Revenue Code.
  - (B) An application for non-coverage or exemption, including the non-profit salary certification on the form referred to in Appendix A. The salary certification must list the salary of the corporation's chief executive officer (CEO), computed on an hourly basis, and the hourly wage rate of the lowest paid worker in the corporation. The salary of the CEO, when computed on an hourly basis, must be less than eight (8) times what the lowest paid worker is paid on an hourly basis. For purposes of this exemption, the "chief executive officer (CEO)" means the CEO of the 501(c)(3) corporation that entered into the agreement
- <sup>2</sup> **One-Person Contractor:** A contractor may apply for exemption under Section 10.37.1(f) of the LWO if that contractor has no employees. The one-person contractor shall submit an application for non-coverage or exemption to the awarding authority on the form referred to in Appendix A with the appropriate one-person contractor certification. If, subsequent to the approval of the exemption application, the contractor hires any employees, the exemption is no longer valid. Any employee the contractor hires becomes covered by the LWO to the extent that the employee performs work on the City agreement. In such cases, the contractor shall notify the awarding authority of the change in circumstances and submit to the awarding authority all the necessary forms to comply with the LWO reporting requirements, including the employee and subcontractor information forms.
- <sup>3</sup> **Exemption by Collective Bargaining Agreement – LAAC 10.37.12:** An employer subject to provisions of the LWO may, by collective bargaining agreement (CBA), provide that the CBA, during its term, shall supersede the requirements of the LWO for those employees covered by the CBA. The provisions of the LWO should not be interpreted to require an employer to reduce the wages and benefits required by a collective bargaining agreement. All parties to the CBA must specifically waive in full or in part the benefits required by the LWO. An employer applying for this exemption shall submit a copy of the CBA. If the CBA does not specifically indicate that the LWO has been superseded, the employer shall submit written confirmation from the union representing the employees working on the agreement that the union and the employer have agreed to let the CBA supersede the LWO.
- (A) **Provisional Exemption from LWO during negotiation of CBA:** An employer subject to the LWO may apply for Provisional Exemption from the LWO if the employer can document that: (1) the union and the employer are currently engaged in negotiations regarding the terms of the CBA; and (2) the issue of allowing the CBA to supersede the LWO has been proposed as an issue to be addressed during the negotiations. If granted, Provisional Exemption status is valid until the end of the negotiation process, including, if applicable, impasse resolution proceedings. During the negotiation process, the employer shall provide, upon request from the OCC, status reports on the progress of negotiations. At the end of the negotiation process, the employer shall provide the OCC with a copy of the final CBA to verify whether the LWO has been superseded, and the effective dates of the CBA.
- (i) If the final CBA signed by the employer and the union supersedes the LWO, the employer shall be considered to be exempt from the LWO's wage and benefits provisions for the time period covered by the effective dates of the superseding CBA. The employer remains subject to all applicable provisions of the LWO for the time period not covered by the superseding CBA. If the employer has not complied with the LWO requirements during the time period not covered by the superseding CBA, the employer shall be required to make retroactive corrections for any period of non-compliance, which may include making retroactive payments to affected employees for the relevant periods of non-compliance.
  - (ii) If the final CBA signed by the employer and the union does not supersede the LWO, the employer shall be required to comply with all applicable LWO requirements, including the wage and benefits provisions. Compliance shall also be required retroactively to the date that the employer first became subject to the LWO. If necessary, the employer shall provide retroactive payments to affected employees for any time period during which the employer did not comply with the LWO.
- <sup>4</sup> **Occupational license - LAAC 10.37.1(f): Exemptions for Employees Requiring Occupational Licenses:** If an employer claims that the LWO does not apply to an employee pursuant to section 10.37.1(f) because an occupational license is required of the employee to perform the work, the employer shall submit to the awarding authority, along with the application for non-coverage or exemption, a list of the employees required to possess an occupational license, the type of occupational license required, and a copy of the occupational license itself. An exemption granted under this provision exempts only the employee who must possess an occupational license to perform work on the City agreement. If an occupational license is not required of an employee to perform the work, the employee remains covered by the LWO.
- <sup>5</sup> **Small Business Exemptions for Public Lessees and Licensees – LAAC 10.37.1(i):** A public lessee or licensee claiming exemption from the LWO under section 10.37.1(i) shall submit the small business application for exemption form referred to in

Appendix A along with supporting documentation to verify that it meets both of the following requirements:

The lessee's or licensee's gross revenues from all business(es) conducted on the City premises for the calendar year prior to the date of the application for exemption do not exceed the gross annual revenue amount set by the LWO in Section 10.37.1(i). That gross revenue amount shall be adjusted annually according to the requirements of the LWO. The gross revenue amount used in evaluating whether the lessee or licensee qualifies for this exemption shall be the gross revenue amount in effect at the time the OCC receives the application for exemption.

A public lessee or licensee beginning its first year of operation on a specific City property will have no records of gross annual revenue on the City property. Under such circumstances, the lessee or licensee may qualify for a small business exemption by submitting proof of its annual gross revenues for the last tax year prior to application no matter where the business was located, and by satisfying all other requirements pursuant to these regulations and the LWO.

A lessee or licensee beginning its first year of operation as a business will have no records of gross annual revenue. Under such circumstances, the lessee or licensee may qualify for a small business exemption by satisfying all other requirements pursuant to these regulations and the LWO.

(A) The lessee or licensee employs no more than seven (7) employees.

(i) For purposes of this exemption, a lessee or licensee shall be deemed to employ a worker if the worker is an employee of a company or entity that is owned or controlled by the lessee or licensee, regardless of where the company or entity is located; or if the worker is an employee of a company or entity that owns or controls the lessee or licensee, regardless of where the company or entity is located.

Whether the lessee or licensee meets the seven (7) employee limit provided for in Section 10.37.1(i) of the LWO shall be determined using the total number of workers employed by all companies or businesses which the lessee or licensee owns or controls, or which own or control the lessee or licensee. Control means that one company owns a controlling interest in another company.

(ii) If a business operated by the lessee or licensee is part of a chain of businesses, the total number of employees shall include all workers employed by the entire chain of businesses unless the business operated by the lessee or licensee is an independently owned and operated franchise.

(iii) A public lessee or licensee shall be deemed to employ no more than seven (7) employees if its entire workforce (inclusive of those employees falling within the guidelines stated in subsections (i) and (ii) immediately above) worked an average of no more than 1,214 hours per month for at least three-fourths of the time period that the revenue limitation provided for in section 10.37.1(i) is measured.

Until the OCC approves the application for exemption, the lessee or licensee shall be subject to the LWO and shall comply with its requirements. If the OCC approves the application, the lessee or licensee shall be exempt from the requirements of the LWO for a period of two years from the date of the approval. The exemption will expire two years from the date of approval, but may be renewable in two-year increments upon meeting the requirements.

<sup>6</sup> **Governmental Entities – LAAC 10.37.1(g):** Agreements with governmental entities are exempt from the requirements of the LWO. If an agreement is exempt from the LWO because the contractor is a governmental entity, subcontractors performing work for the governmental entity on the agreement are also exempt.

# LWO – OCC SMALL BUSINESS EXEMPTION APPLICATION

## EXEMPTION THAT REQUIRES OCC APPROVAL

**This application for exemption is for lessees and licensees only and must be submitted along with your bid or proposal to the AWARDING DEPARTMENT. If approved, it will EXPIRE TWO (2) YEARS from the date of approval. This may be renewable in two (2) year increments upon meeting the requirements. INCOMPLETE SUBMISSIONS WILL BE RETURNED.**

Los Angeles Administrative Code 10.37, the Living Wage Ordinance (LWO), presumes all City contractors (including service contractors, subcontractors, financial assistance recipients, lessees, licensees, sublessees and sublicensees) are subject to the LWO unless an exemption applies.

### **FIRST SOURCE HIRING ORDINANCE COMPLIANCE AFFIDAVIT**

Contractors (including loan or grant recipients) participating on a City contract that is subject to the First Source Hiring Ordinance (FSHO) are required to certify their compliance prior to contract execution.

As part of their obligations under the FSHO, Contractors must provide the Awarding Department a list of anticipated employment opportunities that they and their subcontractors expect to fill in order to perform the services under the contract. The FSHO-1 form (available at <http://bca.lacity.org>) should be utilized to inform the Awarding Authority of any such opportunities. If no opportunities are anticipated, contractors do not need to submit the FSHO-1 form prior to contract award, but must report any subsequent employment opportunities on the FSHO-3 form (available at <http://bca.lacity.org>) as described below.

The City may also pursue any and all other remedies at law or in equity for any breach.
